ITEM 3 - ACTION

APPROVAL OF FUNDING RECOMMENDATIONS FOR THE WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA), TITLE I, YOUTH PROGRAM, FOR PROGRAM YEAR 2017-2018

BACKGROUND:

In 2016, SETA executed a four-year procurement to secure WIOA Program Operators to provide In-School Youth and Out-of-School Youth services. All subgrants were awarded for a twelve-month period beginning July 1, 2016 and ending on June 30, 2017. SETA/Sacramento Works has the option to extend any subgrant awarded for up to three additional one-year terms.

The Sacramento WIOA youth funds are allocated in two categories: Individualized Services for In-School Youth and Individualized Services for Out-of-School Youth.

Individualized Services:

The Workforce Innovation and Opportunity Act identified specific program elements to be incorporated into the delivery of youth services.

1. Secondary School Completion Services
2. Alternative Secondary School Services
3. Paid or unpaid work experience that have academic and occupation education as a component of the work experience
4. Occupational Skills Training that lead to recognized post-secondary credentials that align with in-demand industry occupations
5. Education offered concurrently with and in the same context as workforce activities and training for a specific occupation
6. Leadership development opportunities, including community service and peer-centered activities encouraging responsibility and other positive and civic behaviors
7. Supportive Services
8. Adult Mentoring
9. Comprehensive Guidance and Counseling
10. Follow-up Services for not less than 12 months after program completion
11. Financial literacy education
12. Entrepreneurial skills training
13. Career awareness, career counseling and career exploration services about in-demand industry sectors/occupations
14. Activities that help youth prepare for and transition to post-secondary education and training.

The WIOA Youth Program requires that these elements be part of a comprehensive and community-focused program design providing an age continuum of services to the target population. Program services will address the barriers of the targeted youth and prepare them to obtain employment in a high wage/high growth industry or in an occupation with future career advancement opportunity, enter an education or training program, attain a degree/certificate, achieve measureable skill gains or return to/remain in secondary/alternative secondary school.

Funding Recommendations

SETA is recommending the extension of subgrant awards from July 1, 2017 through June 30, 2018 based on the following criteria:

fiscal year, which will significantly affect funding recommendations. The Youth funding recommendation summary for PY 2017-2018 will be sent electronically to the Youth Committee prior to the May 9, 2017 meeting. The funding summary will include details on program performance for each WIOA In-School and Out-of-School Youth program operator along with a funding recommendations chart.
