Sacramento Works One Stop Career Center System Summary of 2nd Quarter Performance 2012-2013

Career Center System Activity

Universal Services

Adult Universal - The Career Center system served a total of 27,148 customers which represents 150% of the overall planned goals for the 2nd quarter of this fiscal year and a 4% increase in the number of customers served during the same time period last fiscal year. These numbers reflect visits to multiple career centers by individual customers. A total of 22,582 distinct customers were served system-wide, a 6% increase during the same time period last year.

Youth Universal - Youth Specialists throughout the career center system provided 10,672 services, including 2,224 First Visit Orientations, 1,393 School and Community Linkages, 2,163 Youth Workshops, and 4,892 other youth services (which includes assessments, assistance completing applications and resumes, etc.). A total of 2,224 distinct new youth customers were served system-wide. Historically, youth ages 21 and under account for 19.8% of the total career center customers served.

Common Measures

All Adult and Dislocated Worker common measure goals for the second quarter of PY 2012-2013 were met and/or exceeded. Compared with PY 2011-2012, the Entered Employment Rate for Adults increased by 12% points and the Entered Employment Rate for Dislocated Workers also increased by 12% points. In addition, the Adult Average Earnings increased from \$11,608 to \$13,101 and the Dislocated Worker Average Earnings increased from \$14,435 to \$18,595.

Scholarship and Supportive Services Reports (ITA Database)

- Overall, Occupational Skills Training (OST) scholarship obligations awarded in the 1st & 2nd quarters of 2012-2013 remained relatively stable compared to the same period last fiscal year (302 in 2011-2012 and 300 in 2012-2013).
- Approximately 92% of the scholarship obligations were for training in critical occupational clusters. The most significant numerical decrease in scholarships awarded was in the Healthcare and Support Services (149 in 2011-2012 and 127 in 2012-2013) occupational cluster. In contrast, the Transportation and Production occupational cluster reflected a numerical increase (45 in 2011-2012 and 57 in 2012-2013) and the Information Technology cluster also reflected a numerical increase (22 in 2011-2012 and 29 in 2012-2013). In addition, the "Other" (Non-Critical) cluster increased by approximately 12 customers (2011-2012 and 24 in 2012-2013).

- Supportive services obligation dollars for the 1st & 2nd quarters of 2012-2013 increased by approximately 62% compared to the same period last fiscal year (\$116,580 in 2011-2012 and \$188,500 in 2012-2013).

Job Seeker Customer Satisfaction Survey Report

- There were **2,344** Job Seeker Surveys completed, a **32% decrease** from the 3,429 completed for this same reporting period for last fiscal year;
- Individual Career Centers received a customer satisfaction minimum average rating of a **4.39 and better**, a decrease from last fiscal year's average minimum rating of a 4.66 (on a scale of 1 to 5, with 5 being the highest). There are 15 individual service categories.
- Collectively the career centers had a successful average satisfaction rating of a **4.61**, which is a decrease from last year's average rating of 4.77.

Employer Services

The Employer Outreach Activity Report has been redesigned to capture additional information. Most of the information captured in this report is similar to the previous report; however, new elements have been added to reflect the changing role of Employer Services:

- OJT Training Contracts
- Enterprise Zone Vouchers Processed
- Rapid Response/Layoff Aversion Services
- Business Information Center Workshops
- New Employer Registrations
- Job Seeker Services
