Ms. John stated that some of the most sought after skills include digital skills, Microsoft/computer, interpersonal (soft skills), communications, organizational skills and teamwork, and managerial skills (scheduling, budgeting and planning).

Valley Vision has engaged 255 employers regionally. The findings have been shared broadly to give all partners the most current information.

Mr. Roy Kim stated that staff utilizes this information to inform policy issues.

C. Business Implications of COVID-19 on Board Members: Mr. Wylie stated that this is an ongoing discussion on how the pandemic is affecting operations.

<u>Christine Laster</u>: Ms. Laster reported that the last year has been very challenging for Siemens. On the positive side, it was good that many staff were able to work from home. Most of their salaried staff have been transitioned to working from home. There has been a lot of mind-set challenges and changes.

Matt Legé: Mr. Legé reported that COVID has changed how work at the State Capitol is done. His union represents 700,000 members throughout the state including healthcare workers and county service workers. It has changed all of the jobs. Many of the workers are on the front line but others are fortunate to work from home. He ensures that his union members have the personal protection equipment they need and will urge them to get the vaccine when available.

Anette Smith: Ms. Smith has worked in two essential industries over the last year. When she worked at Sutter, it was a huge pivot. Because of the financial impact, she knew she would not go back to an office since Sutter was looking to move administrative people to home. She moved to the financial sector which has also been challenging. The administrative team is working from home but there are still people in the branches. They have had only one case of COVID at their branches. They are a community based business bank and have grown significantly. When she came on board, she was the 145th employee but have hired 40 people in the last year. They did 1,100 PPP loans which was essential for businesses to keep them running. They did almost as many CARES Act loans through the city. They anticipate that they will serve only 30% of the PPP loans in the first draw. They have been able to provide support to those when even their own bank could not help them.

<u>Kriztina Palone, City of Sacramento</u>: Ms. Palone reported that the City is in the process of evaluating which businesses will have CARES funding extensions through March. At the last providers meeting, identified challenges experienced included transportation, child care, access to computer equipment, and good internet connectivity.

IV. Information Items

- B. Dislocated Worker Report: No additional report.
- C. Employer Recruitment Activity Report: Mr. William Walker reported that the report is pretty much at the same level of employer activity as last year. Tesla and the public sector are doing quite a bit of hiring; there is not a lot of hiring in the private sector.
- D. Unemployment Update/Press Release from the Employment Development Department: No report.
- E. Committee Updates
 - Youth Committee: Mr. Gordon reported that the Youth Committee will meet on 2/11/2021.

SPECIAL MEETING OF THE SACRAMENTO WORKS, INC. BOARD

Minutes/Synopsis

(The minutes reflect the actual progression of the meeting.)

Meeting held electronically

Thursday, February 18, 2021 8:00 a.m.

I. Call to Order/Roll Call

Mr. Rick Wylie called the meeting to order at 8:03 a.m. The roll was called and a quorum was established.

Members Present: Staci Anderson, Edward Baker, Amanda Blackwood, Larry Booth, Ron Ellis, Kevin Ferreira, Kristin Gibbons, Troy Givans, Michael Jasso, Gary King, Kathy Kossick, Christine Laster, Matt Legé, Frank Louie, Janet Neitzel, Dr. Jamey Nye, Ronald Orr, Sharon O'Sullivan, Johnny Perez, Karl Pineo, Anette Smith, Rick Wylie

Members Absent: Lisa Clawson, Lynn Conner, David Gordon, Fabrizio Sasso

II. Action/Discussion Item

A Approval of Sole Source Finding for Selection of One-Stop Operator and Forward to the SETA Governing Board with Request for Agreement

SETA staff were asked to leave the meeting.

Mr. Cunningham stated that when this item was submitted to the SETA Governing Board for approval, their legal counsel asked that the item be returned to this board to make a sole source finding. This is action will also cover us for auditors. Mr. Cunningham reviewed the following sole source finding:

The Board finds that, after solicitation of a number of sources and public advertising of the opportunity to submit proposals competition has been deemed inadequate after issuance of the RFQ. While two organizations expressed interest in submitting proposals to serve as the One Stop Operator, SETA was the only organization that submitted a proposal. Consistent with Federal WIOA Regulations and the OMB Uniform Guidance (2 CFR 200.320), non-competitive procurement is appropriate under these circumstances.

Moved/Ellis, second/Booth, to adopt Legal Counsel's sole source finding for the selection of SETA as the One-Stop Operator then forward the matter to the SETA Governing Board with a request for its agreement.

Roll call vote:

Aye: 21 (Anderson, Baker, Blackwood, Booth, Ellis, Ferreira, Gibbons, Givans, Jasso, King, Laster, Legé, Louie, Neitzel, Nye, Orr, O'Sullivan, Perez, Pineo,

Smith, Wylie)

Nay: 0

Absent: 4 (Clawson, Conner, Gordon, Sasso)

HELP SACRAMENTO EMPLOYERS SUCCEED

The Sacramento Employment and Training Agency (SETA) and Sacramento Works, Inc., want employers to succeed.

SETA/Sacramento Works, Inc., the Local Workforce Development Board that oversees federal workforce programs and the network of Sacramento Works Job Centers, assist employers with valuable services. One of the Board's strategic objectives is to routinely and effectively conduct outreach to area employers. Recently the board committee that focuses on outreach has been fortunate to attract members from the Sacramento region's major business development organizations including the Sacramento Metropolitan Chamber of Commerce, the Greater Sacramento Economic Council, and Valley Vision.

E.O.C. RECRUITING 2 OF 2

Are you the one?

We're looking for top-level hiring managers/executives who are interested in joining our committee and working with us to help other employers thrive. Ideal candidates will be engaged in industries we target (Construction, Business Services, Manufacturing, Clean Economy, Food & Agriculture, and Health Care) and in medium-sized (25 to 150 employees) organizations. If this is you, or someone you know please contact Employer Outreach Chair Ron_Ellis@2SS.Com.

MAJOR FUNDRAISING INITIATIVE:

OJT 1-2-3 x 12 for Sacramento Employers

(Moving Sacramento OJT to a Continuous Service)

Historically Sacramento-area OJT programs have been very popular with employers, but SETA/Sacramento Works placement opportunities have suffered from inconsistent and restricted funding (Reference actual 'OJT Funding Sources' and 'OJT Expenses' below).

Specifically, we have analyzed SETA/Sacramento Works track record of successful OJT placements and determined the annual rate of success with, and funding for, new OJT opportunities. Currently these opportunities are sporadic, but as noted above, lead to about 50 placements each year. At 50% reimbursement of entry level salary (\$15.00 per hour) this translates to approximately (50 x .5 x \$15 x 318) **\$119,250** in annual funding.

One tool for reaching this objective might be naming the program: The Employer Name / Sacramento Works 'unrestricted' OJT program

OJT FUNDING SOURCES

They vary widely in time and source.

STATISTICS:

The current list of 'active' SETA / Sacramento Works employers is about 150 and staff guess that they may be able to handle up to 300 employers at current levels. If 300, that would be represent just over 1% of all Sacramento County employers. Among the employers SETA targets are 6 to 12 local staffing agencies (AppleOne, Acara [Siemens], Blue Diamond, Nelson Staffing, Pride Staffing, Superior Staffing, Volt, etc.)

ITEM V - OTHER REPORTS

CHAIR'S REPORT

The Chair of the Sacramento Works, Inc. Board, on a regular basis, receives numerous items of information concerning employment and training legislation, current programs, agency activities, and miscellaneous articles.

The important information from the material received and meetings attended will be shared with the entire Board and the method proposed by the Chair is to give a verbal report at each regular meeting. It will also allow time for the Board to provide input on items that may require future action.

2. MEMBERS OF THE BOARD

This item provides the opportunity for Workforce Development Board members to raise any items for consideration not covered under the formal agenda. It also provides the opportunity for Board members to request staff to research or follow up on specific requests or to ask that certain items be placed on the next agenda.
