3. Review of the January 28, 2015 Board Packet

Mr. King will be chairing Wednesday's meeting. Ms. Kossick stated that Maurice Read has confirmed his attendance at Wednesday's meeting. Dr. Murphy will be doing the member spotlight. The board will take action on the board member expectations document which is presented by the Ad Hoc Committee. Terry Wills will be present to answer questions regarding the document. Once the document is finalized, there may some changes to the bylaws.

Term limits will be a new proposal under this document. This will definitely require changes to the bylaws.

Ms. Smith-Dohring asked what would happen if a replacement member could not be found in a particular sector. Ms. Kossick stated that there are special allowances; the Executive Committee will have more oversight.

Ms. Kossick stated that not every board member is serving on a committee; there may be a need to revisit the quorum issue if everyone is on a committee. If the time commitment is a condition of membership, that will be a bylaw modification.

Ms. Parker asked where the 30 hour commitment comes from; what is the expected breakdown. Ms. Kossick stated that there is an expectation with new members that they will need a certain amount of hours of education in preparation of the meetings. This includes reading of material in preparation for the meeting.

Ms. Parker stated that a lot of members went to the board retreat at CSUS to develop an expectation document; who follows up on the members that do not attend regular board meetings. It could be more up to the Executive Committee to enforce lack of attendance/participation.

Ms. McClatchy stated in the old PIC, there was an item on the agenda and a vote required keeping someone on the board that missed three meetings. Ms. Kossick stated that the Clerk keeps track of attendance. Ms. Parker stated that there needs to be something behind it; there has to be follow up. Mr. Cunningham stated that technically, lack of attendance is not enforced and there is no removal process. He suggested that a process be written in, and if members do not complete certain items, they are removed.

Ms. Parker stated that she will notify Ms. Wills of the discussion regarding the Board Expectations item.

Employer Outreach Committee: There will be no meeting in January. Each member of the EOC made presentations last year. Terri Carpenter spoke before the Rotary twice.

Ms. Kossick invited Mr. George Marley to do a quick update on the LMI that just came out. It will be five minutes or less.

The Youth Council has not met but it is expected they will meet in February.

Ms. Kossick expects that with the board member expectations, there will be more board members choosing committee membership.

It was suggested that someone talk about recent staffing changes due to retirements. Ms. Kossick stated that she will do a very quick notification of changes.

4. Adjournment: The meeting was adjourned at 4:36 p.m.
