#### III. <u>Action Items</u>

#### A. GENERAL ADMINISTRATION/SETA

1. <u>**TIMED ITEM 10:00 A.M. AND PUBLIC HEARING**</u>: Final Reading and Approval of the Sacramento Employment and Training Agency Budget for Fiscal Year 2013-2014

Mr. Roy Kim reviewed the budget and stated that the overall budget is decreasing by \$2.3 million due to sequestration cuts. CSBG funding shows an increase but it is carryover from the prior year's budget, not an increase.

Mr. Yee opened a public hearing.

Mr. Nottoli asked why the Enterprise Zone funding shows a decrease of \$50,000. Mr. Kim responded that the change reflects reduced carryover from the prior years. For this particular year the carrying from the prior year is slightly lower. Ms. Kossick stated that staff will continue to do vouchering until staff hears what needs to change; we are not sure how much the decrease will be.

A question was raised as to why the Refugees/RESS program shows a 10% decrease; is that due to sequestration? Mr. Kim replied that it is partially attributable to a formula based on the actual number of refugees in Sacramento.

Moved/Nottoli, second/Warren, to close the public hearing and approve the SETA budget for 2013-2014. Voice Vote: Unanimous approval.

2. <u>**TIMED ITEM 10:00 A.M. AND PUBLIC HEARING:**</u> Approval of Job Specifications for Workforce Development Deputy Director, Children and Family Services Deputy Director, and Administrative Services Deputy Director

Mr. Rod Nishi reviewed the three job specifications; two of the job specifications were approved by the Head Start Policy Council because of the impact on the Head Start program. There are three new job specifications. Ms. Denise Lee and Ms. Robin Purdy are current incumbents and the new Administrative Services Deputy Director is the third new position that will be filled by Mr. Roy Kim.

Mr. Yee opened a public hearing.

Ms. Scherman asked if the duties will be different from what staff is doing in their present position and Mr. Nishi said no. This board item allows the Executive Director to have three deputy directors in a balanced fashion. The transition has been moving forward for a number of months.

Moved/Scherman, second/Warren, close the public hearing and approve the job specifications of Workforce Development Deputy Director, Children and Family Services Deputy Director, and Administrative Services Deputy Director. Voice Vote: Unanimous approval.

3. <u>**TIMED ITEM 10:00 A.M. AND PUBLIC HEARING**</u>: Approval of Wellness Specialist Classification and Adoption of the Related Salary Range and Reclassification of a Head Start Health/Nutrition Specialist to this Classification

Mr. Rod Nishi stated that this is a timed item including a public hearing. The Policy Council approved this item on Tuesday as well.

Mr. Nishi stated that 18-20 months ago, the Agency embarked on a wellness program which has become very successful. This new classification will be assigned to work with all staff participating in the Agency's wellness program.

Mr. Warren left at 10:55 a.m.

Mr. Nishi distributed bags that are provided by Kaiser for the Wellness program. This new position is a culmination of the success of the wellness program. This item includes the reclassification of a Head Start Health/Nutrition Specialist to a Wellness Specialist; there is no fiscal impact.

Moved/Scherman, second/Nottoli, to close the public hearing and approve the establishment of the new classification of Wellness Specialist and the related salary range and the reclassification of Teresita Saechao to the position. Voice Vote: Unanimous approval.

4. Appointment of Private Sector Applicants to the Sacramento Works, Inc. Board

Ms. Kossick stated that the Sacramento Works Executive Committee is recommending one candidate to fill one of two vacancies. The Executive Committee has recommended Susan Mansfield from A. Teichert & Son, Inc. Construction; the other two candidates are not currently applicants because they have dropped their employment.

Moved/Scherman, second/Nottoli, to approve the appointment of Susan Mansfield, A. Teichert & Son, Inc. Construction, to the Sacramento Works, Inc. board.

C. SETA Workforce Development Discretionary Grants: Ms. Purdy stated that staff periodically submits proposals for various discretionary grants. Currently, the Agency's discretionary grants total about \$12 million which is in addition to WIA, RESS, and CSBG grants that the Agency receives on a formula basis. ### ITEM II-D – CONSENT

### APPROVAL TO MODIFY GREATER SACRAMENTO URBAN LEAGUE'S ADULT VENDOR SERVICES CONTRACT

#### BACKGROUND:

In 2011 the SETA Governing Board approved Greater Sacramento Urban League (GSUL) to become a contracted vendor under SETA's fee-for-service Adult Vendor Services List offering On-the-Job Training/Subsidized Employment (OJT/SE).

In April, 2013 the SETA Governing Board approved an amendment to include the addition of Adult Literacy as a "pay-for-performance" vendor activity in SETA's Vendor Services (VS) List Request for Qualifications (RFQ).

As a result, GSUL submitted an application to add the Adult Literacy vendor, specifically GED Preparation, to their current Adult VS List contract. A team comprised of program and contracting staff reviewed and evaluated GSUL's request and determined that they effectively demonstrated their ability to provide the proposed Adult Literacy activity.

Staff is seeking approval of the attached recommendation for modification.

#### **RECOMMENDATION:**

Approve the attached recommendation to add the Adult Literacy activity to Greater Sacramento Urban League's Adult VS contract.

### ITEM III-B – 1 - ACTION

### APPROVAL TO AUGMENT THE SACRAMENTO WORKS TRAINING CENTERS WITH WIA 25% GOVERNOR'S DISCRETIONARY FUNDING

#### BACKGROUND:

On February 13, 2013, the Sacramento Employment and Training Agency (SETA) entered into a statewide collaboration of 13 counties represented by 14 Workforce Investment Boards heavily impacted by job losses due to massive layoffs by employers such as Campbell's Soups, Comcast, Bank of America, and Hostess. The \$19,049,512 grant provides job training and job search assistance to 2,497 laid-off workers in Alameda, Colusa, Contra Costa, Glenn, Imperial, Los Angeles, Orange, Sacramento, San Benito, San Joaquin, San Luis Obispo, Sutter and Yuba counties.

This program is funded with the Governor's 25 percent discretionary portion of the Title I Workforce Investment Act Dislocated Worker Program. The grant applicant and fiscal agent for the WIA 25% Multi-Sector Workforce Partnership is South Bay Workforce Investment Board SETA has been allocated \$5,900,000 to serve 832 workers dislocated by 16 employers in Sacramento County. The SETA Governing Board has approved allocating WIA 25% funds to the Sacramento Works One Stop Career Centers to identify and enroll 624 eligible dislocated workers.

Staff is recommending an augmentation of \$312,000 in WIA 25% Additional Assistance funds for the following Sacramento Works Training Centers(SWTC) to fund staff to provide coaching, case management, and job placement assistance services to an additional 208 dislocated workers laid-off by one of the employers eligible for the grant. This will ensure that SWTC staff continue contacting affected workers and informing them of the available services, registering them in the system, conducting skill assessments, career planning, coaching, identifying appropriate training programs to retrain workers in high demand skills, and providing them with job placement assistance:

Sacramento Works Training Center	Planned Enrollments	Activity	Recommended Amount
Asian Resources, Inc.	28	Coaching, Case Management, and Job Development	\$42,000
Elk Grove Unified School District	50	Coaching, Case Management, and Job Development	\$75,000
Greater Sacramento Urban League	50	Coaching, Case Management, and Job Development	\$75,000
Sacramento City Unified School District	80	Coaching, Case Management, and Job Development	\$120,000

#### **RECOMMENDATION:**

Augment the Sacramento Works Training Centers listed above with additional WIA Governor's Discretionary Funding totaling \$312,000 to serve affected workers.

### ITEM III- B – 2 – ACTION

### APPROVAL OF THE COMMUNITY SERVICES BLOCK GRANT (CSBG) REQUEST FOR PROPOSALS FOR THE 2014 PROGRAM YEAR

#### BACKGROUND:

As the designated Community Action Agency for Sacramento County, the Sacramento Employment and Training Agency (SETA) administers CSBG funds to meet locally determined needs. Local needs are determined through a Community Action Plan process designated by the State of California Department of Community Services and Development (CSD) that relies on public testimony about unmet community needs.

On June 20, 2013, the SETA Governing Board approved the 2014/2015 Community Action Plan (CAP). The CSBG Request for Proposals (RFP) solicits proposals from qualified agencies to address the needs and services identified in the CAP.

At this time, the federal government has not approved a budget and the total amount of Community Services Block Grant funding for the 2014 program year is not known. For planning purposes, SETA has included in the RFP an available amount that is based on approximately fifty percent of the 2013 allocation. A total of \$800,000 is projected for release, on a competitive basis, to public and private non-profit entities with the capacity and experience to meet unmet needs identified in the CAP. The estimated available funding for the 2014 CSBG RFP is as follows:

- 1. Sixty percent (60%), or \$480,000, for Safety-Net Services, one-time or limited services to families who find themselves in a crisis or emergency situation.
- 2. Forty percent (40%), or \$320,000, for Family Self Sufficiency services, which are comprehensive, case-managed services for families.

SETA will target the most vulnerable populations in Sacramento County. For the 2014 program year, groups that will receive priority for services include low-income families, at-risk youth, homebound seniors, the disabled, and homeless individuals and families, including homeless youth.

The process and criteria for selecting delegate agencies to implement services and activities of SETA's Community Action Plan are outlined in the draft CSBG Request for Proposals (RFP) for the 2014 Fiscal Year that has been sent under separate cover.

The Community Action Board met and approved this document at their August 14 meeting.

#### **RECOMMENDATION:**

Approve the CSBG Request For Proposals for the 2014 Fiscal Year.

# ITEM IV-B - INFORMATION

### COMMUNITY SERVICES BLOCK GRANT PATHWAYS TO EMPLOYMENT PROGRAM OUTCOMES

#### BACKGROUND:

In June, 2012, SETA received a one-year Community Services Block Grant Discretionary award of \$100,000 to implement Pathways to Employment (PTE), a new On-the-Job Training program for individuals who are homeless or residing in transitional housing or homeless shelter, are long-term unemployed, and have multiple barriers to obtaining employment. This innovative project was the first subsidized employment program to target the unique needs of homeless individuals in Sacramento County.

SETA collaborated with the County Department of Human Assistance, Women's Empowerment, Volunteers of America, the State Department of Rehabilitation, Sacramento Steps Forward, and the Sacramento Housing Alliance to develop the project. Participants were provided pre-employment skills training, up to three months of subsidized employment, support services, financial benchmark incentives, career coaching, mentoring, and case management to overcome conditions of homelessness and succeed in their chosen career.

By the end of the project period, June 30, 2013, outcome goals were met or exceeded. Twenty-four (24) participants were to be enrolled into PTE; actual enrollment was 33.

**<u>Goal 1</u>**: 18 participants (75% of enrollments) will obtain unsubsidized employment by June, 2013.

<u>Actual Results</u>: 24 participants have entered unsubsidized employment by June, 2013, surpassing the planned goal by 133%. The average unsubsidized wage for the participants is \$10.05 per hour.

**Goal 2**: 23 participants will have a better understanding of their job interests and skills. <u>Actual Results:</u> 33 participants have a better understanding of their job interests and skills as identified by the results of knowledge and skills assessments, or 143% of the planned goal.

**<u>Goal 3</u>**: 22 participants will gain the employment skills they need to qualify for unsubsidized employment in the career field of their choosing. <u>Actual Results:</u> 24 participants have completed the OJT and gained skills needed to qualify for unsubsidized employment, or 109% of the planned goal.

**<u>Goal 4</u>**: 22 participants will have a greater knowledge of community supports which could help avert future homelessness.

<u>Actual Results:</u> 29 participants achieved greater knowledge of community supports, or 132% of planned goal.

Staff will be available to answer questions.

#### Notes:

1) Data may not add due to rounding. All unemployment rates shown are calculated on unrounded data.

2) These data are not seasonally adjusted.

#### Methodology:

Monthly city and CDP labor force data are derived by multiplying current estimates of county employment and unemployment by the employment and unemployment shares (ratios) of

#### **Data Not Seasonally Adjusted**

LaborEmploy-<br/>mentUnemployment<br/>NumberCensus Ratios<br/>EmpArea NameForcementNumberRateEmpUnempeach city and CDP at the time of the 2000 Census.Ratios for cities of 25,000 or more persons<br/>were developed from special tabulations based on household population only from the Bureau of<br/>Labor Statistics. For smaller cities and CDP, ratios were calculated from published census data.

City and CDP unrounded employment and unemployment are summed to get the labor force. The unemployment rate is calculated by dividing unemployment by the labor force. Then the labor force, employment, and unemployment are rounded.

This method assumes that the rates of change in employment and unemployment, since 2000, are exactly the same in each city and CDP as at the county level (i.e., that the shares are still accurate). If this assumption is not true for a specific city or CDP, then the estimates for that area may not represent the current economic conditions. Since this assumption is untested, caution should be employed when using these data.

# III. Information Items

A. Presentation by the Sacramento Municipal Utility District on Upcoming Rate Increases: Mr. Gary King

Mr. Gary King Chief Workforce and Technology Officer, introduced Ms. Amber Gray, Rates team, and Mr. Sam Starks, Community Engagement Team. Mr. King also sits on the Workforce Investment Board.

Mr. King and Ms. Gray spoke of the upcoming rate increases. Ms. Gray stated that SMUD staff worked to design the low income program with an income qualifying basis. There was discussion of designing the discount rate based on the number of people in the household but it is voluntary. It is very difficult to design rates based on the number of people in each household. SMUD wants more of the discount to go to the people that actually need the discount. With that in mind, SMUD staff redesigned and front loaded the discount. From an efficiency standpoint, more of the discount was going to the people that needed to have the discount.

Mr. Sam Starks stated that the new discount gives more discounts for low income users.

The non-federal share is 24.9% and it should be 25%; there are more forms to be

processed which should bring the total above the minimum. Ms. Campos was asked about dental bags. Ms. Campos stated that one goal is to have at least one parent educational training on dental hygiene. The dental bags have toothbrushes and information that is given out to parents. There are also some staff that dress up as Disney characters. One staff member dresses as Snow White and goes out to the centers and distributes the bags to the children.

Members are still discussing the event location, menu, and there is still the need for a speaker; if a parent has an appropriate speaker, please provide that information to committee members or Ms. Desha. When looking at location, consider the parking. The Committee came up with theme: *Our Children Today Make A Difference Tomorrow*. The event will be semi-

The board is to align services with the training center goals. This modification in services will be brought before the Child Development Committee and the Budget Committees. For next year, will be looking at doing the Parent Conference differently. Staff is considering offering regional resource fairs instead of the one county-wide conference. There will still be the community people and resources available with mini-half hour workshops. The regional resource fairs will be specific to the regions. The agencies that serve that geographic area will be in attendance.

Mr. Akang reported that he and his daughter attended Fishing in the City at to Elk Grove Park.

# Family Engagement and Program Operations Units

Staff has been busy with end-of-year celebrations for the children transitioning from Head Start preschool to kindergarten and will be leaving our program.

This is the time of year when the "big push" for recruitment and enrollment takes place. Family Service Workers have been very busy recruiting and enrolling families into the program for the beginning of the new school year beginning August 1.

# Elk Grove Unified School District

School is closed for summer. No report this month.

# Sacramento City Unified School District

# Education

Coordinators and Resource staff are preparing for the next school year by updating classroom forms, ordering consumable materials, replacing curriculum materials and more.

In a continuous effort to align preschool with the District's K-12 curriculum, Child Development will pilot the Balance Literacy approach in select classrooms this fall. Fifteen teachers, resource teachers, coordinators and the director attended a three-day Balance Literacy Training Institute from July 23 through July 25. The teachers volunteered to be early implementers of the new literacy approach which uses focused, intentional, and integrated instructional strategies to teach reading and writing skills.

# Health and Nutrition

Nurses attended the Northern California Regional Cluster Meeting. Speakers discussed Head Start and licensing guidelines in health, nutrition, environment safety and other areas.

Our health team initiated gardening plans as part of our three-year goal for school year 2013-2014.

Screening is ongoing. The nurses have been contacting parents to bring their children to one of our registration offices to complete assessments on sensory screening.

By the end of July, nurses screened approximately 500 prospective SCUSD students. Nurses are persistent in providing dental, health and nutrition education to prospective parents.

Nurses are currently working with prospective parents, primary care doctors and Sherida Diederich, RD., to ensure that all medications and special diets are in place before the students enter the classroom.

Nurses are making sure that all the files are thoroughly reviewed.

# San Juan Unified School District

# **Education Services Update**

The Staff Calendar has been revised to include a pacing guide for our Social Emotional curriculum *Second Step.* In addition, there is a Scope and Sequence for Play-Dough activities offered as an optional supplement for teachers to help fine tune their fine motor support for children.

# **Disabilities Services Update**

The Disabilities Specialist purged the IEPs for children that have aged-out of the program and cataloged them for storage. As new students are registered, new IEPs are input into Child Plus and hard copies are made for teacher pick-up in August. Screening is picking up pace as families come to enroll for the new school year. The screening room is in fully staffed with Bilingual Assistants and School Community Workers. The Care Management Team reviews the screening results each day and then makes recommendations/referrals as needed, so that children receive needed support as quickly as possible. All of this has continued in the midst of moving and remodeling. The team has moved forward to continue to serve children and families.

# Mental Health Services Update

As parents begin screening process for fall enrollment, families/children with identified needs (ASQ-SE assessment tool) are contacted by the Mental Health Therapist for needed mental health services and follow up intervention.

# Nutrition Services Update

Two of the preschool sites have been awarded the Western Growers garden grant. Congratulations to Julia Neuhauser (Citrus Heights) and Bertha Hernandez (Pasadena) for taking the time to apply and make the commitment to follow through with the process. The support and materials offered by this grant will provide children opportunities and skills that will last a lifetime.

# **Transition Services Update**

The Registration Department and the Disabilities Specialist have been busy getting ready to transition children into preschool. Registration and the Screening Center are continuously busy connecting with families regarding waiver requests, family appointments and phone calls to prospective parents occurring every hour. For many parents this is their first experience with school and the team makes every attempt to assure the registration process is clear and pleasant for each family.

# **Program Support/Staff Training Update**

Programs are closed in July. Teacher Committees continue to work on the Professional Development calendar for the next academic year 2013-2014.

# **Fiscal Update**

The month of July is a quiet month for the fiscal department of Head Start and Early Head Start. The preparation to close out the current grant and submit the preliminary report to SETA is underway. With most classes over for the 2012 school year, spending for Head Start and Early Head Start is very little.

# Early Head Start

July is a month of transitions in EHS. Teachers are working with families to transition their age eligible children into preschool next month and the program is transitioning into new model realignments for the new grant year. The goal is to maintain services for all families while filling home based and center based slots. Teacher reassignments have been completed by human resources with two new home visitors joining the team.

Quality Assurance Monitoring Review

July 25, 2013

# **Executive Report**

# **Overview and Methodology**

A comprehensive SETA Quality Assurance (QA) Monitoring Review was completed for the EHS and HS Preschool Home Base Option for SOP (SETA-Operated Program). Representative caseload sample from 10 EHS Home Educators (for EHS) and 5 Head Start Educators (for HS) was included in this review. Monitoring activities included child file review, socialization observation, home visits with family, and interviews with staff and parents. Performance Indicators outlined in the service areas of 1) Health and Nutrition 2) Family, Parent and Community Engagement, 3) Education, Disabilities and Mental Health and 4) ERSEA were monitored. For a complete copy of the tool used, please refer to <a href="http://psscfs.sacramentoheadstart.net/QA/QAtool.html">http://psscfs.sacramentoheadstart.net/QA/QAtool.html</a>

Each Performance Indicator was marked either Met or Unmet/Partially Met for each sample caseload per Home Educator. This report is intended to provide a summary of the full review of all caseload samples. Detailed QA reports will be made available to supervisors.

# Exemplary Practices (Above Compliance): EHS and HS

#### EHS/HS

(1)IDPs were not complete, did not include all developmental areas or parent input was not clear. (2) Based on review of Home Visit Plans, and Home Visit observations, joint planning with parents to articulate child development goals for their children was not very evident in several of home visits conducted with Home Educators. # ERSEA

1304.51 (g)

HS/EHS

*Record keeping.* (1) Enrollment application information did not match Child Plus records. (2) Many application forms contained illegible writing, crossed out entries with no initials, and inconsistencies found due to amount of paperwork maintained in child's file (information had to be re-written in many forms leading to inaccuracies).

# PDM

#### HS/EHS

This section was not formally evaluated during this review. However, the following general comments are provided:

Thorough review of children's files showed redundancy of information on numerous forms used by the program. It seems that there is an attempt to be uniform with the EHS center-based option. There were observed recordkeeping practices that seem unnecessary, that might have become unmanageable for some staff leading to inconsistent practice across the board. During Entrance meeting, staff could not clearly and consistently articulate several program procedures.
