III. Action Items

A. GENERAL ADMINISTRATION/SETA

1. <u>TIMED ITEM: 10:00 A.M. AND PUBLIC HEARING</u>: Final Reading and Approval of the Sacramento Employment and Training Agency Budget for Fiscal Year 2014-2015

The public hearing is open continued from the June meeting. Ms. Su stated that there is a net increase in the budget of \$3 million, primarily due to CalWORKS funding.

Moved/Nottoli, second/Scherman, to close the public hearing and approve the SETA budget for 2014-2015.

Roll Call Vote:

Aye: 5 (Nottoli, Schenirer, Scherman, Yee, Warren)

2. <u>TIMED ITEM: 10:00 A.M. AND PUBLIC HEARING:</u> Ratification of Revisions to the Salary Schedule for Head Start Parent Intern and Head Start Substitute Teacher Assistant

Mr. Roy Kim reviewed this item which is brought forward since the minimum wage was increased to \$9.00 per hour. There are two classifications that are affected by the increase with five incumbents in these classifications.

Mr. Warren opened a public hearing. There was no public testimony.

Moved/Yee, second/Scherman, to close the public hearing and approve the new pay ranges for the Head Start Parent Intern and Head Start Substitute Teacher Assistant.

Roll Call Vote:

Aye: 5 (Nottoli, Schenirer, Scherman, Yee, Warren)

Nay: 0

Abstention: 0

3. Approval to Authorize Lease Negotiations for South Sacramento Job Center Office and Classroom Space

Ms. Robin Purdy reviewed the revised board item. This process began in March and the deadline was extended to July 31; three proposals were received. Staff reviewed the proposals and all were deemed non-responsive. Staff is recommending not to fund any of the proposals but to extend the RFP with an expanded area for the office space. Ms. Purdy reviewed the areas that would now be included in the RFP area.

Mr. Thatch stated that this has been a difficult search and he expects that working with a broker will produce better results. With our current lease, there is a need to leave the premises and it is a tighter time frame; he feels confident that a space will be located with a broker's assistance.

Mr. Nottoli asked why this process has been so difficult since there is already a lot of area included in the RFP and a lot of vacant buildings. Ms. Kossick stated that the lease terms include a provision that if our funding falls below a certain level, the Agency can get out of the lease. Lessors look at that and decline to submit a proposal due to that provision even though SETA has not done it in over 30 years.

Moved/Yee, second/Scherman, to approve the extension of the RFP with an expanded area for the job center office and classroom space.

Roll Call Vote:

Aye: 5 (Nottoli, Schenirer, Scherman, Yee, Warren)

Moved/Yee, second/Schenirer, to approve the acceptance of the RICO grant funding from the CWIB in the amounts of \$175,000 for the Talent Pipeline project and \$125,000 for the Sustainability project and authorize the Executive Director to execute the funding agreements, any modifications, or other documents required by the funding source, and enter into subcontracts with collaborating organizations.

VI. Reports to the Board

- B. <u>Executive Director</u>: Ms. Kossick wished Ms. Scherman a Happy Birthday on August 18. Ms. Kossick distributed a one-page overview of the Solutions City initiative that has started with the U. S. Conference of Mayors and Starbucks. Staff will be attending the first coffee town hall meeting next Wednesday and will be providing whatever assistance we can regarding workforce issues.
- C. <u>Deputy Directors</u>: Ms. Purdy provided an update on the priority worker program on the arena. The hotline received 2,700 calls from interested people. Staff called them back and of the 2,700, 715 were assessed and 316 were referred to pre-apprenticeship training. There are now 111 in training programs. Turner Construction and Sacramento/Sierra Building & Construction Trades Council, as well as other providers are working to problem solve issues as they arise. There are 10 priority apprentices that are indentured and 10 that will be connected with

the Laborers Union. Staff is working with the Carpenters Union which has established their own apprenticeship program; Matt Kelly is working with them and trying to get an apprenticeship program here in Sacramento. Job Corps has a direct connect with the Operating Engineers. So far, all of the partners are working hard to make this program work.

Mr. Warren stated that this is a big deal and it is very important to make it work. Mr. Warren will be asking SETA and Turner Construction staff to present before the City Council to give an update on identifying priority workers and contractors and keep it in the forefront. It is important to explain the impact of the arena and how it is creating a lot of opportunities for people.

Ms. Purdy stated that staff is also tracking non-union employment; there are two priority workers that went to work for a non-union construction firm.

Mr. Schenirer stated that this could model how other things are done. Perhaps a handbook can be produced on how to do this for future projects. This could be done for smaller projects such as the Whole Foods Market downtown.

Ms. Scherman suggested that if staff does produce a manual, and if we share it with others, have them pay for the manual and the expertise. Mr. Warren stated that this would be a policy decision to redirect some of the fees already paid by the developers.

D. <u>Counsel</u>: None.

E. Members of the Board: None.

F. Public: None.

VII. Adjournment: The meeting was adjourned at 10:51 a.m.

ITEM III-A - 1 - ACTION

APPROVAL OF RETIREE MEDICAL INSURANCE SUBSIDY FOR CALENDAR YEAR 2015

BACKGROUND:

Since 1980, medical and dental insurance premiums for retired annuitants have been subsidized by the Sacramento County Employees Retirement System (SCERS). These were declared not to be vested benefits, with no promise of continuing. SETA, as a Special District of the Sacramento County Employees Retirement System (SCERS) is required to take action for its retirees on the subsidy for health care insurance premiums. This action is independent and separate from the County Board of Supervisors who act on behalf of their retired employees.

SETA has never vested retirees with a health care insurance benefit. Beginning with Fiscal Year 2004-05, SCERS funding was no longer available and SETA began to subsidize health care insurance premiums with SETA funds.

On May 4, 2006 the SETA Governing Board took action to continue paying medical and dental subsidies to current retired employees at the current rates and limit future program enrollment to new retirees, who, as of January 1, 2007, were SETA/SCERS members that have ten years of SCERS service as of that date. These payments would continue through December 2007.

For calendar year 2008 and 2009, the SETA Governing Board took action to continue paying medical and dental subsidies to current retired employees and limit future program enrollment to eligible employees who retired on or before August 31, 2007. The subsidy was eliminated for all participants who retired after August 31, 2007. This included the continuation of the \$25/month towards retiree – only dental plan premiums.

For calendar year 2010 - 2014, the SETA Governing Board took action to continue paying medical subsidies to current retired employees at reduced rates depicted in the chart below and eliminated the dental subsidy. The Board continued to limit future program enrollment to eligible employees who retired on or before August 31, 2007. The subsidy was eliminated for all participants who retired after August 31, 2007.

Current subsidy/offset payments are as follows:

Years of SCERS service credit	Amount of subsidy			
Less than 10 years	\$72			
10 years but <15 years	\$90			
15 years but <20 years	\$108			
20 years but <25 years	\$126			
25 years or more	\$144			
Dental coverage	\$0			

$\frac{\text{ITEM III-A} - 1 - \text{ACTION}}{\text{Page 2}} \text{ (continued)}$

Three options are presented for your consideration.

- OPTION A: maintain the current subsidy; see table above (\$25,920 for 22 individuals)
- OPTION B: eliminate the medical subsidy to retirees (\$0)
- OPTION C: approve a subsidy at a lesser amount than the table above

RECOMMENDATION:

Staff is recommending that the Board take action to approve Option A for the next calendar year effective January 1, 2015.

STAFF PRESENTER: Legal Counsel

CONFLICT OF INTEREST CODE FOR THE SACRAMENTO EMPLOYMENT AND TRAINING AGENCY

Pursuant to the Political Reform Act, Government Code Section(s) 81000, et. seq. ("PRA") the Sacramento Employment and Training Agency ("SETA") has adopted a Conflict of Interest Code. The PRA requires conforming amendments to be made in Conflict of Interest Codes adopted and promulgated pursuant to the provisions of the PRA.

The Fair Political Practices Commission ("FPPC") has adopted a regulation, Cal. Adm. Code Section 18730, which contains the terms of a standard model Conflict of Interest Code, which can be incorporated by reference, and which will be amended to conform to amendments in the PRA after public notice and hearings conducted by the FPPC.

Incorporation by reference in terms of the aforementioned regulation and amendments to it in SETA's Conflict of Interest Code will save SETA time and money by minimizing the actions required by SETA to keep the Code in conformity with the PRA.

SETA's current Conflict of Interest Code as adopted pursuant to Resolution No. 2008-1010 is hereby repealed. The terms of Cal. Adm. Code Section 18730 and any amendments to it duly adopted by the FPPC are hereby incorporated by reference and, together with the attached APPENDIX, shall constitute the Conflict of Interest Code for SETA.

The designation of SETA employees and the applicable disclosure categories are identified in the attached APPENDIX.

This amended Conflict of Interest Code will become effective upon the date of its adoption by the Sacramento County Board of Supervisors.

ITEM III-A – 4 - ACTION

APPROVAL TO AUTHORIZE LEASE NEGOTIATIONS FOR SOUTH SACRAMENTO JOB CENTER OFFICE AND CLASSROOM SPACE

BACKGROUND

On March 6, 2014 the Board approved the release of a Request for Proposals (RFP) to seek office and classroom space to continue to provide Job Center services in the South Sacramento area. The deadline for the submission of a proposal in response to the RFP was April 18, 2014. No proposals were received by the deadline. As a result, the Board authorized the extension of the RFP at its April 24th meeting with an extended deadline of May 30, 2014. Only one proposal was submitted by the extended deadline, which failed to meet the minimum number of proposal submissions required for procurement. As a result, the Board authorized an additional extension of the RFP at its June 5, 2014 meeting with an extended deadline of July 31, 2014. By the July 31 deadline, three proposals were submitted in response to the RFP. Staff reviewed and evaluated all three proposals and found them to be non-responsive. As a result, the Board authorized an additional extension of the RFP at its August 7, 2014 meeting with an extended deadline of August 29, 2014.

Staff will review and rank the proposals prior to the Board's September 4, 2014 meeting. An oral report and related materials will be provided at the meeting.

RECOMMENDATION

Review the staff report of the proposals received, and authorize staff to enter into lease negotiations with representatives of the top ranked proposal. If unsuccessful, staff will negotiate with the proposal ranked second. Upon successful negotiations, staff will return to the board for action to approve a lease agreement.

STAFF PRESENTER: William Walker

APPROVAL OF STAFF FUNDING RECOMMENDATIONS FOR THE REFUGEE SOCIAL SERVICES (RSS), TARGETED ASSISTANCE (TA), OLDER REFUGEE DISCRETIONARY (ORD), TARGETED ASSISTANCE DISCRETIONARY (TAD)

PROGRAMS, PROGRAM YEAR 2014-2015

BACKGROUND:

On April 11, 2014 the Board approved the release of a Request for Proposals (RFP) for the Refugee Social Services (RSS) and Targeted Assistance (TA) programs, program year (PY) 2014-2015. Under the RFP, the following services will be provided to refugees, asylees, certified victims of human trafficking, and individuals holding Special Immigrant Visas (SIVs) who are within five (5) years of their arrival in the United States:

- Vocational English-as-a-Second Language combined with Employment Services (VESL/ES)
- Employment Services (ES) Stand Alone
- Social Adjustment and Cultural Orientation (SA & CO) for all refugees.

On June 13, 2014 SETA received 15 proposals. The 15 proposals were submitted by nine applicants requesting a total of \$1,684,730.

Evaluation Process

The proposals were reviewed and scored by an Evaluation Team comprised of eight staff from SETA's Workforce Development and Fiscal Departments, as well as one representative from Sacramento County's Department of Human Assistance (DHA). Proposals were evaluated based on the criteria outlined in the RSS/TA RFP. Areas reviewed and addressed included an applicant's demonstrated experience and ability to:

- Operate, manage, deliver and evaluate all elements of the proposed refugee program
- > Attain performance goals (target population, services, enrollment, entered employment, job retention)
- Serve the refugee population
- For employment service activities, develop jobs for the refugee population
- For employment service activities, provide all elements of case management, including the provision of supportive services, the tracking and documenting of services, including progress towards goal attainment, and providing follow-up and job retention services
- Partner, coordinate, and collaborate with DHA and Sacramento Works Job Center (SWJC) staff

STAFF PRESENTER: Michelle O'Camb

<u>ITEM III-B – 1 – ACTION</u> (continued)

Page 2

In addition, the location of current priority refugee populations, proposed applicant agency program service locations, as well as geographic areas targeted by applicant agencies were taken into consideration.

Additionally, proposed costs were evaluated for reasonableness. This was accomplished by comparing proposals to historical costs of similar programs, as well as comparing to the costs of other proposals submitted in response to the RFP.

SETA staff regularly monitors and evaluates RSS and TA-funded program services and providers on overall program performance and ability to meet contractual performance standards. Evaluation criteria reviewed for performance of current SETA-funded applicants included:

- Achievement of contractual, planned service levels (enrollment, service units, entered employment and job retention)
- ➤ Ability to enroll and serve the targeted population, with focus on eligible recipients of public cash assistance
- Submission of timely and accurate fiscal and program reports, as well as contract documents

References for non-SETA funded applicants were contacted and asked to provide an assessment of program performance and capabilities. This information was utilized in developing funding recommendations.

Staff is recommending that services provided under the 2014-15 RSS and TA funding be delivered through the following six applicants to the RFP:

- ✓ Asian Resources, Inc.
- ✓ Bach Viet Association, Inc.
- ✓ Hmong Women's Heritage Association, Inc.
- ✓ Lao Family Community Development, Inc.
- ✓ Slavic Assistance Center, Inc.
- ✓ Twin Rivers Unified School District

Proposal summaries and recommendations have been provided under separate cover.

Available Funding

SETA has not received notification of PY's 2014-15 RSS and TA or Older Refugee Discretionary (ORD) allocations. It is anticipated that SETA will receive this information

in September 2014. Preliminary estimates indicate that funds available for allocation will be:

RSS: \$460,833 TA: <u>\$318,283</u> Total: \$779,116

It is anticipated that 661 refugees (228 in the SA & CO component and 433 in employment related components) will receive services. Of the 433 refugees receiving employment services, at least 238 (55%) will enter employment at an average wage of \$9.57 per hour, with a minimum of 167 (70%) retaining employment for 90 days after job placement.

Targeted Assistance Discretionary (TAD) Funding

On May 23, 2013 the SETA Governing Board approved ratification of the submission of SETA's application for TAD funds. SETA was notified by the California Department of Social Services (CDSS)—Refugee Programs Bureau (RPB) in September, 2013 that TAD funding was awarded covering a three-year project period ending September 29, 2016. The project expands employment services to Sacramento County's Iraqi and Afghan refugees who have compelling situations, which have resulted in the provision of employment services for longer than average times due to challenges stemming from a unique experiences that impede their ability to readily find employment, such as medical conditions, mental health issues, specifically post-traumatic stress disorder, and difficulty adjusting to life in the United States.

Staff is recommending that services provided under the 2014-15 TAD funding be delivered through the following three current TAD providers who have consistently met or exceeded contractual service levels:

- ✓ Asian Resources. Inc.
- ✓ Bach Viet Association, Inc.
- ✓ Twin Rivers Unified School District

SETA has not received notification of the TAD award for PY 2014-15. It is anticipated that SETA will receive this information in late September, 2014. Preliminary estimates indicate that funds available for allocation will be:

TAD: \$37,882

It is anticipated that 22 Iraqi and Afghan refugees will receive VESL/ES with the 2014-15 TAD allocation.

STAFF PRESENTER: Michelle O'Camb

Older Refugee Discretionary (ORD) Grant Funding

On June 7, 2012 the SETA Governing Board approved ratification of the submission of SETA's application for ORD funds. SETA was notified by the California Department of Social Services (CDSS)—Refugee Programs Bureau (RPB) in October, 2012 that ORD funding was awarded covering a three-year project period ending September 29, 2015. The project assists refugees 60 years of age and older in accessing naturalization/citizenship, as well as targeted social adjustment and acculturation services.

Staff is recommending that services provided under the 2014-15 ORD funding be delivered through the following ORD provider who has consistently exceeded contractual service levels:

✓ Slavic Assistance Center, Inc.

SETA has not received notification of the ORD award for PY 2014-15. It is anticipated that SETA will receive this information in late September or early October, 2014. Preliminary estimates indicate that funds available for allocation will be:

ORD: \$17,452

It is anticipated that 44 older refugees will receive ORD funded services under the PY 2014-15 allocation.

RECOMMENDATION:

Approve staff funding recommendations for the Refugee Social Services (RSS), Targeted Assistance (TA), Targeted Assistance Discretionary (TAD), and Older Refugee Discretionary (ORD) Grant programs, PY 2014-2015, as indicated on the attached funding charts. Additionally, approve the following stipulations:

- 1) VESL/ES service providers must ensure open entry and prompt placement into VESL classes for all clients that are assessed to be in need of English language training.
- 2) All VESL/ES and ES Stand Alone budgets must include a minimum allocation of 5% for supportive services.
- 3) Providers with case management and job development staff budgeted for less than 12 months, or budgeted for part-time employment, must ensure program services are available Monday through Friday, at least eight (8) hours a day, from October 1, 2014 through September 30, 2015.
- 4) If the final allocations for RSS, TA, TAD, and/or ORD are less than the anticipated awards, SETA reserves the right to reduce amounts allocated to providers accordingly.
- 5) If the final allocations for RSS and TA are more than anticipated, staff may return with an augmentation recommendation.

ITAN STATISTICAL AREA (MSA)

SACRAMENTO-ARDEN-ARCADE-ROSEVILLE METROPOLITAN STATISTICAL AREA (MSA) (EL DORADO, PLACER, SACRAMENTO, AND YOLO COUNTIES) Professional and business services led month and year-over job growth

The unemployment rate in the Sacramento-Arden Arcade-Roseville MSA was 7.4 percent in July 2014, up from a revised 6.9 percent in June 2014, and below the year-ago estimate of 8.9 percent. This compares with an unadjusted unemployment rate of 7.8 percent for California and 6.5 percent for the nation during the same period. The unemployment rate was 7.2 percent in El Dorado County, 6.5 percent in Placer County, 7.7 percent in Sacramento County, and 7.3 percent in Yolo County.

Between June 2014 and July 2014, combined employment located in the counties of El Dorado, Placer, Sacramento, and Yolo decreased by 11,100 to total 890,400 jobs.

- Government led the month-over decrease with a 13,800-job decline. The cutback in jobs was concentrated in local government education (down 9,400 jobs) and state government education (down 4,000 jobs). The job reduction was within seasonal norms where it is customary for schools to trim down during the summer break.
- Trade, transportation, and utilities slowed down by 800 jobs, its largest month-over decrease since 2009. Retail trade dwindled by 500 jobs, wholesale trade saw a 200-job dip, and transportation, warehousing, and utilities declined by 100 jobs.
- Financial activities declined by 600 jobs over the month. Finance and insurance receded by 400 jobs. Real estate, rental, and leasing dropped by 200 jobs.
- Professional and business services was the top industry gainer for the month, adding 2,000 jobs from June to July and exceeding its 10-year average by 1,500 jobs.
 Administrative and support and waste services led the way with a 1,600-job improvement, and professional, scientific, and technical services added 300 jobs.

Between July 2013 and July 2014, total jobs in the region increased by 20,200 or 2.3 percent.

- Professional and business services expanded by 7,800 jobs for the year. Administrative
 and support and waste services continued to lead the industry with a 4,700-job gain.

Notes:

- 1) Data may not add due to rounding. All unemployment rates shown are calculated on unrounded data. *SETA Staff adjusted numbers to eliminate rounding to the nearest hundred.
- 2) These data are not seasonally adjusted.

Methodology:

Monthly city and CDP labor force data are derived by multiplying current estimates of county employment and unemployment by the employment and unemployment shares (ratios) of

Data Not Seasonally Adjusted

Labor Employ- Unemployment Census Ratios

Area Name Force ment Number Rate Emp Unempleach city and CDP at the time of the 2000 Census. Ratios for cities of 25,000 or more persons were developed from special tabulations based on household population only from the Bureau of Labor Statistics. For smaller cities and CDP, ratios were calculated from published census data.

City and CDP unrounded employment and unemployment are summed to get the labor force. The unemployment rate is calculated by dividing unemployment by the labor force. Then the labor force, employment, and unemployment are rounded.

This method assumes that the rates of change in employment and unemployment, since 2000, are exactly the same in each city and CDP as at the county level (i.e., that the shares are still accurate). If this assumption is not true for a specific city or CDP, then the estimates for that area may not represent the current economic conditions. Since this assumption is untested, caution should be employed when using these data.

Head Start Wonthly Report

SETA Operated Program

Family Engagement Unit

July was the end of our program year, and we had a lot to celebrate in the Family Engagement unit. 374 fathers have participated in some sort of male involvement event. This ranged from Daddy and Me breakfast or lunch events, where a male role model was able to come to the early learning center, have a meal with their child, then tour the classroom, participate in circle time activities, and participate in a brief workshop on the importance of male involvement in a child's life. Other events included an Early Head Start home based BBQ at the park. Fathers and other male participants took their children to the playground, made a book with their child, and played games.

This year we had overwhelming success in our Family Literacy Activity Program (FLIP). Parents read or did some other literacy activity with their child(ren) which totaled over 72,000 hours for the program year. That is quite a commitment on a parent's behalf to read to their child each day. For the next program year, we will focus on math activities for parents to do at home with their children.

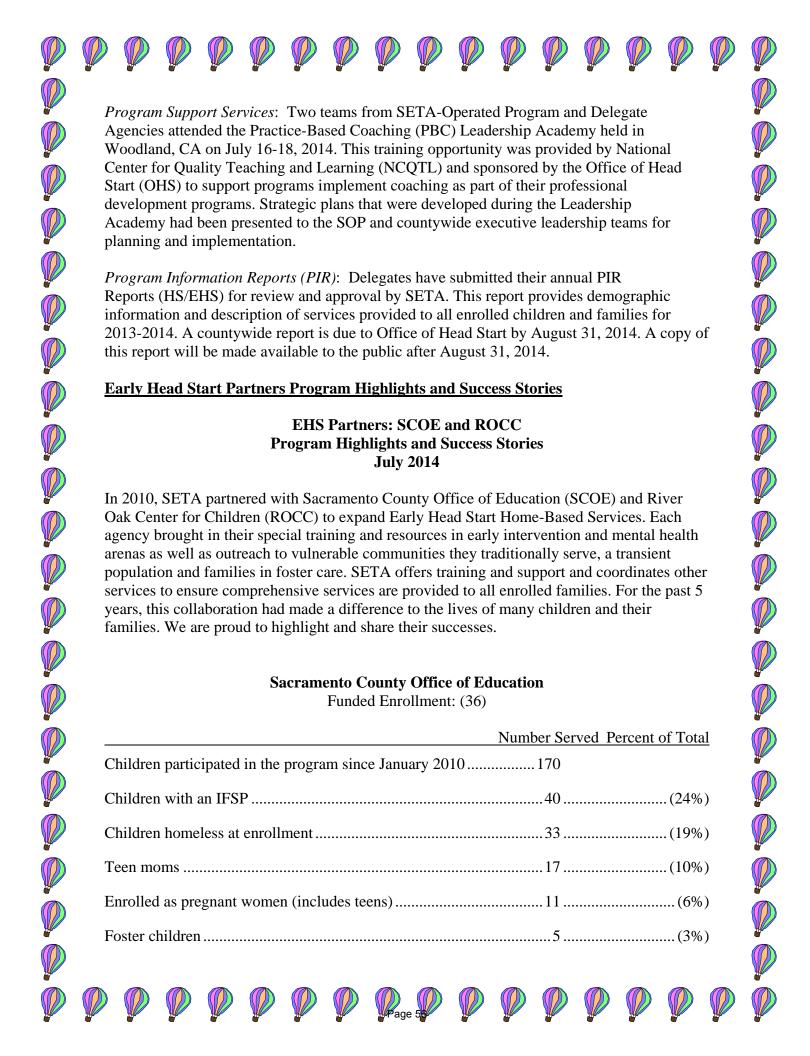

We also trained 56 School Readiness Aides (SRA) and 73 Parent Aides (PA). School Readiness Aides are assigned a classroom, and work under the supervision of a Head Start teacher and provide small group activities which are directly related to the theme that the class is working on. Having parents in the classroom who have been trained to provide small group instruction has been great not only for the children, but it has given parents an opportunity to see if they might be interested in pursuing a career in Early Childhood Education. Teachers also benefit by having additional adults in the classroom.

Parent Aides are responsible for receiving the food from the central kitchen, prepping the meals, and keeping the food workspace clean. Parent Aides learn the basics of food prep, food safety and sanitation and inventory. Parent Aide volunteers allow teachers to stay in the classroom with children and not have to worry about getting the meal tasks completed. Head Start really runs on parent volunteers!

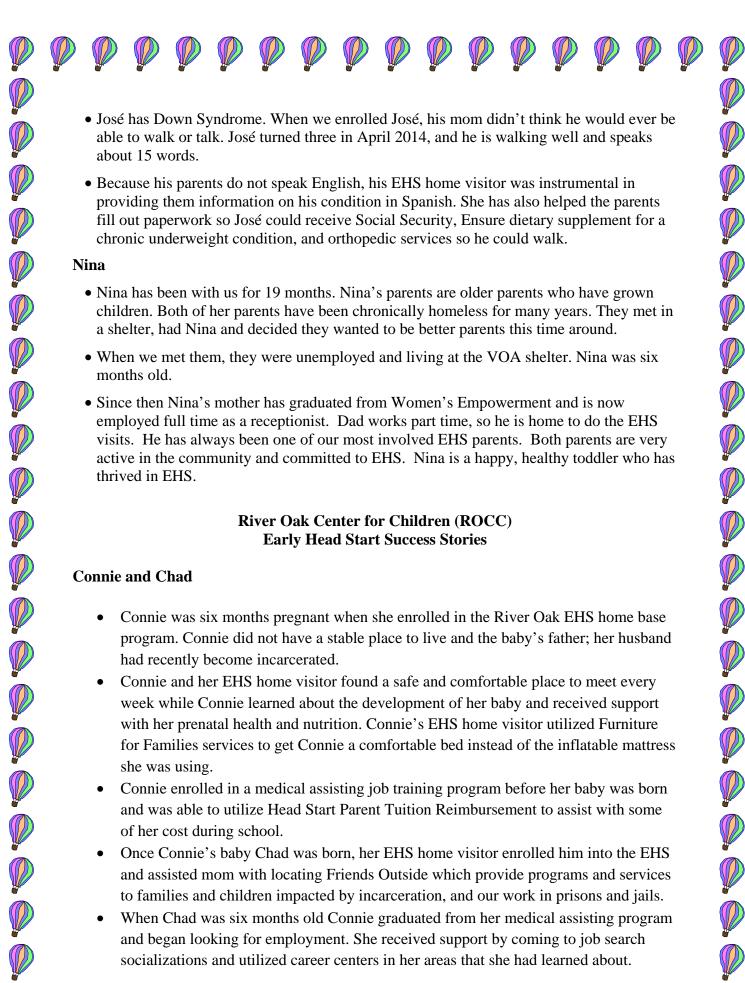

Family Service Workers were incredibly busy ensuring that all of our slots stayed full and that parents were receiving services. We also were out in the community, making sure that families and community members know about Head Start and Early Head Start services.

CHDV is also happy to announce staff's participation in the Cohort 4 CSEFEL through a partnership with SCOE. Teachers of full-inclusion classrooms have been singularly focused on CSEFEL training and one SCUSD full-inclusion classroom has been highlighted as a model CSEFEL classroom. CHDV continues to look forward to this special collaborative opportunity involving SCUSD's Special Education Department and SCOE. CHDV's ultimate goal is to ensure that all classrooms utilize CSEFEL practices, which have already proven to be quite instrumental in ensuring greater outcomes for all children in the areas of selfregulation and autonomy.

Disabilities

CHDV is pleased to announce that enrollment numbers for full-inclusion sites are at about 90% at this point in time. There are 19 children and 60 children with mild to significant disabilities enrolled in SCUSD's Early Head Start and Head Start program options, respectively. SCUSD continues to enroll children during the course of the summer months and, as usual, the district typically surpasses its required enrollment number of children with mild to significant disabilities.
