#### III. Action Items

#### A. GENERAL ADMINISTRATION/SETA

1. Approval to Receive Funds from the Sacramento Municipal Utility District (SMUD) for a SMUD/Sacramento Works High School Internship Program and Authorize the Executive Director to Execute the Services Agreement and any other Documents Required by the Funding Source

Ms. Kossick stated that has been a very positive, on-going partnership with SMUD. Ms. Scherman is very pleased with this program and would encourage other companies to have similar programs.

Mr. Kennedy inquired about the funding and why the funding is not equal per student. Mr. Kim replied that the work experience wages are dependent upon how much the student is paid. Approximately half of the funding goes to wages. Mr. Kim will get the specific numbers according to how much is stipends and a breakdown of workshops. Mr. Kennedy requested a breakdown of how the funds are expended.

Moved/Schenirer/Kennedy, to approve the receipt of funds from SMUD for a SMUD/Sacramento Works High School Internship program in the amount of \$410,168 for the next three years and authorize the Executive Director to execute the services agreement and any other documents required by the funding source.

Roll Call Vote:

Aye: 5 (Kennedy, Nottoli, Schenirer, Scherman, Warren)

Nay: 0

Abstentions: 0

2. Approval of WIOA Board Application and Nomination Policy

Ms. Kossick stated that the agency has entered the new Workforce Innovation and Opportunity Act funding and staff is rolling out pieces of the Act. One is to have a new Workforce Development Board in place to represent the local workforce system. Board members were provided with a draft application and a proposed nomination policy to begin recruitment. Staff has met with the Sacramento Metro Chambers of Commerce; they will be providing outreach electronically to 15 different chambers in the region as well as other business-related organizations to reach out for applicants. Staff will also reach out to labor/adult education and other required partners.

Board members will be provided electronic versions of the applications received. The deadline is the second week of February which will allow time for legal counsel to vet all applications received. Ms. Kossick is requesting assistance from board members in soliciting applications.

It is expected that the Workforce Development Board will be a 25 member board because the law changed the number of mandated members. Of the 25, 13 would be business seats; other seats would include labor, CBOs, adult education, higher education, Department of Rehabilitation, EDD and 'other'. It covers a lot of mandated partners but the majority of slots are for private business. Staff is interested in having most seats appointed by the March meeting in order to have an operational board ready to go by July, 2016.

Moved/Schenirer, second/Warren, to approve the WIOA Board Application and Nomination Policy.

Roll Call Vote:

Aye: 5 (Kennedy, Nottoli, Schenirer, Scherman, Warren)

Nay: 0

Abstentions: 0

#### B. WORKFORCE DEVELOPMENT DEPARTMENT

Community Services Block Grant: None.

Refugee Services: None.

 Approval to Deobligate CalWORKs Expanded Subsidized Employment Funds for On-the-Job Training/Subsidized Employment and Authorize the Executive Director to Make any Modifications Necessary to the Agreements

Mr. Kim stated that in June 2015, the board approved extensions for the next program year which included CalWORKs funds of \$1.8 million for a 12-month period. At that time, SETA had a contract with DHA in the amount of \$743,000 and it was understood that the contract would be increased; however, additional funding was not received. This item recommends approval to deobligate funds

as a prudent measure since the contract is at a point of being fully expended. This approval is contingent upon action taken by the Board of Supervisors (BOS) at their January 12 meeting.

Moved/Schenirer/Warren, to approve the deobligation of up to \$1,797,947 of CalWORKs ESE funds for On-the-Job Training/Subsidized Employment if the DHA is unable to obtain approval for additional funds at the January 12, BOS meeting, and authorize the Executive Director to make any modifications necessary to the Agreements.

Roll Call Vote:

Aye: 5 (Kennedy, Nottoli, Schenirer, Scherman, Warren)

Nay: 0

Abstentions: 0

#### C. CHILDREN AND FAMILY SERVICES: None.

## IV. <u>Information Items</u>

- A. Fiscal Monitoring Reports: No questions.
- B. Employer Success Stories and Activity Report: Mr. Warren asked for updates that occurred during the break. Mr. Walker reported that he met with HP and they are looking for operating engineers and processing employees. They operate 24/7 shifts and are having difficulty finding people for graveyard hours.
- C. Dislocated Worker Update: Mr. Walker stated that Macy's at Country Club is closing which will affect 100 employees. Many of the staff will have an opportunity to go to different locations.
  - Mr. Nottoli arrived at 10:20 a.m.

Mr. Schenirer stated that the report does not include skill levels; he wanted to know what types of jobs are being lost. Mr. Walker stated that the report could be expanded to include more information. The skill level of the job applications will be included.

Ms. Kossick stated that she is in the process of setting up a meeting with Sacramento Steps Forward to continue spreading the word of services available at the Job Centers. Mr. Schenirer asked that the City of Sacramento's Homeless Liaison be included in the meeting.

D. Unemployment Update/Press Release from the Employment Development Department: No questions.

E. Head Start Reports: Mr. Nottoli asked about the Walnut Grove site closure on November 30. Ms. Lee stated that if the temperature goes below what is allowed, the class has to close. There was an issue with getting parts for the heater.

## V. Reports to the Board

- A. Chair: No report.
- B. Executive Director: Ms. Kossick reported back on the workers compensation premium. Arthur J. Gallagher & Company was able to successfully secure coverage with Insurance Company of the West for approximately \$142,000 less than the current provider. The premium for the calendar year is \$981,289. The bulk of the savings is in the Head Start program, so funds can be utilized in whatever areas of need there are in the program. Staff engaged a risk management firm and a report will be provided in February or March on recommended changes to SETA's insurance. Gallagher is currently exploring options to purchase cyber insurance.
- C. Deputy Directors: No report.
- D. Counsel: No report.
- E. Members of the Board: No comments.

# APPROVAL OF SELECTION CRITERIA FOR ENROLLMENT IN HEAD START OR EARLY HEAD START PROGRAMS

#### **BACKGROUND:**

On an annual basis the Governing Board is required to review and approve the Countywide Enrollment Selection Criteria for the Head Start and Early Head Start programs. In 2014-2015, the Head Start (preschool) Selection Criteria remained unchanged while the Early Head Start (infants/toddlers) Selection Criteria included slight revisions. Revisions made reflected a change in prioritization for teen moms due to the reduction in teen pregnancies in Sacramento County. Slight changes were also made to reduce duplication in categories. The Policy Council, Parent Advisory Committee and SETA Governing Board approved these changes in January 2015.

There are no recommended changes for 2015-2016.

Both the Selection Criteria for Sacramento County Early Head Start and the Selection Criteria for Head Start meet all requirements contained in 45 CFR 1305 Eligibility, Recruitment, Selection, Enrollment and Attendance and updated guidelines in accordance with the Head Start Act of 2007.

Staff will be available to answer questions.

#### RECOMMENDATION:

Approve the Early Head Start Enrollment Selection Criteria and the Head Start Enrollment Selection Criteria for Sacramento County as attached.

PRESENTER: Denise Lee

# APPROVAL TO SUBMIT AN APPLICATION FOR SPECIALIZED AMERICAN JOB CENTER SERVICES TO OFFENDERS AND AUTHORIZE THE EXECUTIVE DIRECTOR TO SIGN THE AGREEMENT AND ANY REQUIRED DOCUMENTS PERTAINING TO THE AGREEMENT

#### **BACKGROUND:**

On January 13, 2016 the U.S. Department of Labor (DOL) announced the availability of grants of up to \$500,000 to provide pre-release services to ex-offenders. "Linking to Employment Activities Pre-Release Through Special American Job Centers (AJCS) – ("LEAP-2")" inside county, municipal or regional correctional facilities, where offenders will receive employment and job placement services, and upon release, be connected to community-based job centers for additional services and employment. The application deadline is February 26, 2016.

SETA will be the grant applicant and will be submitting a collaborative application to serve approximately 100 offenders incarcerated at the County's Rio Cosumnes Correctional Center (RCCC) that includes the following partners:

- County Sheriff's Department
- County Probation Department
- County District Attorney's Office
- County Department of Child Support Services
- State of California Employment Development Department

The parties are beginning to develop the application at this time in consultation with all partners. There is no developed budget at this time.

#### **RECOMMENDATION:**

Approve the submission of an application for up to \$500,000 to DOL for a Specialized American Job Center at the RCCC, and authorize the Executive Director to sign the agreement and any required documents pertaining to the agreement.

PRESENTER: Roy Kim

# APPROVAL OF OUT-OF-STATE TRAVEL TO ATTEND THE CUSTOMER CENTERED DESIGN LEARNING EXCHANGE

#### **BACKGROUND:**

SETA participated in the Department of Labor Customer Centered-Design Challenge, where a team of 10 staff representing various departments of the Agency completed a seven-week IDEO online course on the methods and application of customer-centered design. The challenge required that the SETA team apply these principles to address the following challenge: How might we improve the customer experience and outcomes for SETA's One Stop customer? A proposal documenting the customer-centered design process and outcomes was required and submitted to the Department of Labor on December 16, 2015.

On January 6, 2016, the SETA team was notified that SETA's proposal was selected as a winning proposal by the Customer-Centered Design Evaluation Committee. Of the 80 teams entering this Challenge, the SETA team was one of 10 teams selected to attend the Customer-Centered Design Learning Exchange at the White House in February, 2016.

#### **RECOMMENDATION:**

Approve out-of-state travel for two staff to attend the Customer-Centered Design Learning Exchange in Washington, DC on February 16, 2016 at an approximate cost of \$2,000.

PRESENTER: Roy Kim

#### ITEM IV-A - 1 - ACTION

# APPROVAL TO RELEASE A REQUEST FOR PROPOSALS FOR ADMINISTRATIVE OFFICE SPACE – HEADQUARTERS BUILDING

#### **BACKGROUND:**

In December, 2016, the lease for the SETA Headquarters Building at 925 Del Paso Boulevard will expire. Staff and legal counsel have explored extension options at the current site and have had extensive discussions with SETA's real estate broker, Newmark Cornish & Carey. The conclusion reached is that the Agency should begin the office space procurement process for a new consolidated office space for SETA. Staff and legal counsel are recommending that SETA issue a Request for Proposals (RFP) for office space.

This RFP was patterned after the Administrative Office Space RFP that was used to acquire SETA's existing space in 2001. To assist in preparation of the RFP, the Executive Director retained the services of the Architectural firm of Williams + Paddon, who worked with staff and the broker to form the architectural exhibits included in the RFP. The broker will continue to work with staff in the process of encouraging the submission of proposals, reviewing proposals and finalizing any lease terms. The architects will assist in reviewing proposals and oversight of the construction of any tenant improvements.

The draft RFP contemplates release of the RFP on Friday, February 5, 2016. Two Offeror's Conferences, on February 19 and March 2, 2016, respectively, will be conducted. The purpose of these conferences is to provide information and answer questions from respondents. Questions will only be responded to during these conferences so that all respondents will receive the same information and respondents are encouraged to attend both conferences because different questions can be presented at each conference. All responses will be due no later than March 14, 2016, after which staff, with the assistance of the broker and architects, will review all proposals and return to the Board at its April 7, 2016 Board meeting for selection of one or more respondents with whom lease negotiations will be conducted. Upon satisfactory completion of lease negotiations, staff will come back to the Board at a later date for final lease approval. During the process of development of the draft RFP, staff and legal counsel met with Regional Transit staff members, who provided input into the determination of RFP boundaries and preferred site locations. As a result of that input, the RFP solicits information from respondents regarding the site address and its proximity to Regional Transit light rail and bus routes/stops. In addition, respondents will be required to identify the distance from the closest light rail and bus stops, including the accessible path of travel from the stop to the site. Location, proximity to transit and price will be important, but not controlling, factors in site selection. The proposed boundaries for the RFP solicitation area are: Sacramento River to the west;

PRESENTERS: Kathy Kossick and Legal Counsel

Interstate 80 to the north; a street line generally along Marysville Boulevard, Arcade Boulevard, Marconi Avenue, Howe Avenue, Fair Oaks Boulevard, Elvas Avenue and 65<sup>th</sup> Street to the east; and US Highway 50 to the south. A site may be located on either side of any of the eastern boundary streets noted above. Should the Board desire to expand or retract those boundaries, the RFP could be easily modified to incorporate those changes.

The draft RFP solicits proposals for leases with initial terms of up to ten (10) years, with at least a five (5) year option to renew. Proposals with additional options to renew are encouraged, provided that the total length of the initial terms and all extensions shall not exceed twenty (20) years.

The draft RFP, consistent with most of SETA's lease procurements, includes language that would permit SETA to terminate the lease early if its funding is reduced by 10% or more from the base year of the lease. The purpose of this provision is to allow SETA to terminate leases if funding is diminished to protect SETA, the City and the County against possible damages should funding reductions impact SETA's ability to pay lease payments. While SETA has never exercised this clause to terminate a lease early, the clause provides protection against funding reductions in recognition of the fact that the vast majority of SETA's funding is discretionary federal grants. The Agency has included similar language in its leases for satellite facility space in all of its programs and in prior leases of administrative office space, with the exception of the current Headquarters space. During the procurement process for the current Headquarters, the Agency circulated an initial RFP with this funding out clause included. SETA's broker advised that this type of language could have a negative impact on the ability of potential respondents to obtain financing and, thereby, submit proposals. Accordingly, when a second RFP was subsequently circulated for the current Headquarters space, this provision was deleted and, as a result, SETA was able to proceed with its current Headquarters lease that omits the funding out clause. While it is standard language in most of SETA's current leases, it may be less critical for the Headquarters space because of the fact that even if SETA were to see a 10% or greater reduction in funds necessitating reduction in lease facilities, it is likely that the Headquarters space would be the last leased space that SETA would retain to continue operations. If the Board chooses to omit this language, the RFP, including the draft lease attached as Exhibit 2, could be easily modified to delete the funding out language.

Staff and legal counsel will present an oral report.

#### RECOMMENDATION

After hearing the oral report, provide direction to staff regarding any desired modifications to the draft Request for Proposals and approve the release of a Request for Proposals for Administrative Office Space for the SETA Headquarters Building.

#### ITEM IV-A - 2 - ACTION

# APPROVAL OF SIZE, COMPOSITION AND BYLAW AMENDMENT TO THE SACRAMENTO WORKS WORKFORCE DEVELOPMENT BOARD

#### **BACKGROUND:**

The Workforce Innovation and Opportunity Act (WIOA) was passed in 2014 to replace the 1998 Workforce Investment Act (WIA) and to provide state and local areas the flexibility to collaborate across systems in an effort to better address the employment and skills needs of current employees, jobseekers, and employers. WIOA prescribes a stronger alignment of the workforce, education, and economic development systems. The WIOA modifies the structure of State and local workforce boards, allowing them to be smaller, charging them to be more strategic analysts and investors in the labor market. As SETA transitions into the WIOA, changes regarding the composition and member requirements of the Sacramento Works Workforce Development Board are prudent.

At its January 7, 2016 meeting, the Governing Board approved the application process for appointing members of the Workforce Development Board, identifying five separate categories for Workforce Development Board membership including: business; labor/workforce; education/training; government and economic/community development; and others deemed by the Governing Board to be appropriate. Attached to this item is a table that allocates appointments to these categories for a total number of twenty-five members. A majority of the members must represent business so, with a twenty-five member board, thirteen must represent business. In addition, Labor and Apprenticeship members must comprise at least 15% of the membership, or 4 members of a 25-member board. In addition to these seventeen members, staff proposes to have eight additional members in the remaining categories. Two of the eight would be selected from the catchall "other" category, which provides the Governing Board with flexibility in the appointment of these two positions. The remaining six members represent specific programs in the workforce system as noted on the attached chart. By setting the Board membership at 25, which is substantially less than the 41-person membership of the former Workforce Investment Board under WIA, staff believes that the desire for a smaller membership can be satisfied.

In order to implement the WIOA, Sacramento Works, Inc., the local Workforce Development Board, approved a series of amendments to Article III of its bylaws at its January 27, 2016 meeting. A copy of the amended bylaws is attached. These amendments include proposed modifications to the number of directors and the manner of appointment, which can only be amended with the advice and consent of the Governing Board. Specifically, Section 9.02(a) of the Sacramento Works, Inc. bylaws includes the following language regarding amendments that concern the number of

Directors or manner of appointment: "... provided that a Bylaw affixing or changing the number of Directors, or the manner of appointment or removal of Directors shall not be adopted, amended or repealed without the advice and consent of the Governing Board."

The bylaw amendments include the following proposed changes and the changes in Sections 3.01 (number of directors), 3.03 (staggering of terms) and 3.05 (process of appointment to implement staggered terms) all require the consent of the Governing Board):

- Section 3.01 reduces the size of the board from a range of 36 to 50 down to a range of 15 to 30 and sets the current size of the board at 25, a reduction from the current size set at 41. The size of the board can be changed by simple board resolution any time so long as it stays within the new range set by this amendment
- Section 3.02 changes the references to the qualifying law from the former WIA to the new WIOA.
- Section 3.03 makes one change to provide for staggered terms as required under WIOA.
- Section 3.04 changes the reference to the qualifying law from the former WIA to the new WIOA.
- Section 3.05 (a) incorporates the changes needed to set up staggered terms by appointing approximately 1/3 of the directors appointed in March 2016 to two year terms, 1/3 to three year terms and 1/3 to four year terms. After these initial terms, all terms will be three years.
- Section 3.06 does not change.
- Section 3.07 does not change except to modify the reference to the WIOA instead of WIA.
- Sections 3.08, 9 and 10 contain no changes.
- Section 3.11 adds a new subsection (p) which allows for teleconferencing in a manner consistent with the Brown Act and in compliance with the requirements of the WIOA.

Although the WIOA recommends adding language allowing for Directors to designate alternates who can attend meetings for them and the use of proxy voting, current State law does not allow those recommendations to be incorporated. The problem and the prohibition are a result of the fact that under applicable California law, board members are all "public officials" hence prohibited from acting by proxy or designee.

#### RECOMMENDATION:

Review the proposed bylaw amendment and the chart and local board membership requirements. Approve the composition and size of the new Sacramento Works Workforce Development Board, and the amendments to the Sacramento Works Bylaws that require the consent of the Governing Board.

- (b) Residency. Each Director shall have established and be presently maintaining residency in the County of Sacramento, State of California, or shall have established and be presently maintaining employment within the County of Sacramento, State of California. Failure of a Director to continuously maintain either residence or employment within the County of Sacramento shall constitute grounds for declaration of a vacancy on the Board pursuant to Section 3.08(a)(5) of these Bylaws; and
- (c) Conflict of Interest Statements. Each Director must also have filed an "Initial Statement of Economic Interest" or a continuing "Statement of Economic Interest" in accord with the applicable provisions of the Conflict of Interest Code of the Sacramento Employment and Training Agency or its successor. Failure to file such a statement within the time required by law shall constitute grounds for declaration of a vacancy on the Board pursuant to section 3.08(a) (4) of these Bylaws.
- **Section 3.03. Terms of Office.** Each Director shall hold office for a term of three years from the date of such Director's appointment except for Directors appointed in March, 2016 as a part of the implementation of Public Law 113-128. Those Directors appointed in March, 2016 shall be appointed to staggered terms as provided in Section 3.05 below.
- **Section 3.04. Nomination.** Any person qualified to be a Director pursuant to Section 3.02 of these Bylaws shall be nominated in the manner specified by the Governing Board from

#### Section 3.05. Appointment of Directors

- (a) Appointment by Governing Board. Directors shall be appointed by the Governing Board and shall serve for a term of three (3) years and until a successor has been appointed by the Governing Board, except for the initial terms of the directors appointed in March, 2016, which shall be either two (2), three (3) or four (4) years. It is the intent of these bylaws to have and maintain staggered terms of office for the directors and to provide that approximately one-third (1/3) of the directors' offices expire in any given year. The Governing Board shall divide the directors into three groups, and appoint the appropriate number of directors to each group in March, 2016: one consisting of eight (8) directors whose initial term shall be two (2) years; one consisting of nine (9) directors whose initial term shall be four (4) years. Appointment of each group of directors shall occur upon expiration of their initial term and every three (3) years thereafter by the Governing Board at its March meeting.
- (b) Qualification of Appointed Directors. No appointment to the Board of Directors of this Corporation shall become effective nor shall any Director be qualified until such time as the appointee has filed an "Initial Statement of Economic Interest" or a continuing "Statement of Economic Interest" in accord with the applicable provisions of the Conflict of Interest Code of the Sacramento Employment and Training Agency or its successor.

**Section 3.06. Compensation.** Directors shall serve without compensation.

#### Section 3.07. Removal of Directors.

- (a) Removal By Governing Board. The Governing Board may, at any meeting, by majority vote, remove from office any Director for any of the following reasons: 1) been declared of unsound mind by final order of court; 2) been convicted of a felony; 3) been found by order or judgment of any court to have breached any duty under Article III (Standards of Conduct, Corporations Code of the State of California, commencing with Section 5230); 4) ceased to maintain residency or employment within the Country of Sacramento, California; 5) ceased to maintain qualifications in accord with Public Law Number 113-128 as amended: 6) or, at any time, with or without cause, in the sole discretion of the Chief Elected Official (CEO) of the local area, as those terms are defined under Public Law 113-128, as amended from time to time. Removal will be effective immediately upon action of the Governing board.
- **(b) Removal For Cause**. A Director may also be removed "for cause" in accord with the provisions of Section 5223 of the Corporations Code of the State of

California, which provides that a Superior Court of the proper county may, upon the suit of a Director, remove from office any Director in case of fraudulent, dishonest acts or gross abuse of authority or discretion with reference to the Corporation, or breach of any duty arising under Article III, Standards of Conduct, (commencing with Section 5230 of the Corporations Code of the State of California), and may bar from re-election any Director so removed for a period prescribed by the Court. The Corporation shall be made a party—to such action. The Attorney General of the State of California may bring such an action for removal "for cause" of any Director on the Attorney General's own motion or may intervene in such action brought by any other party, and must be given notice of such action brought by any other party.

(c) Notice to the Governing Board. The SETA Director shall promptly notify the SETA Governing Board of any vacancy created hereunder and request appointment of a new Director. From the effective date of the resignation or removal of any Director as a result of this section, until the appointment and installation of the replacement Director, such seat shall be treated as vacant for all purposes, including, but not limited to, establishment of a quorum for the conduct of business.

#### Section 3.08. Vacancies.

#### (a) Vacancies on the Board of Directors shall exist:

- 1. On the death, resignation or removal of any Director;
- 2. When the number of Directors authorized by these Bylaws has been duly increased;
- **3.** In the case of initial appointments to the Board or in the event of a duly authorized increase in the size of the Board, on the failure of the Governing Board to appoint the full number of Directors authorized;
- 4. On failure of any Director to file an annual Statement of Economic Interest each year in accord with the provisions of the "Conflict of Interest Code" for the Sacramento Employment and Training Agency or its successor:
- **5.** On the failure of any Director to maintain either residency or employment in Sacramento County.
- **6.** On the resignation of a Director who has missed three consecutive regular meetings of the Board of Directors.
- **(b) Filling of Vacancies.** Any vacancy in the Board of Directors shall be filled by the Governing Board or its successor in accord with the provisions of Section 3.05 of these Bylaws.
- (c) Terms of Office. A person appointed Director to fill a vacancy as provided in Section 3.05 shall hold office for the unexpired term of said person's predecessor or until removal or resignation as in these Bylaws provided.

**Section 3.09. Non-Liability of Directors.** The Directors shall not be personally liable for the debts, liabilities, or other obligations of the Corporation.

Section 3.10. Indemnity by Corporation for Litigation Expenses of Officer, Director, or Employee. This Corporation shall have the power to indemnify any agent, as that term is defined in Section 5238(a) of the Corporations Code of the State of California, in accord with the provisions of Section 5238 of the Corporations Code of the State of California.

#### Section 3.11. Meetings.

- (a) Call of Meetings. Meetings of the Board may be called by the Chairperson, any Vice- Chairperson, the Secretary, or any two Directors.
- **(b) All meetings subject to Ralph M. Brown Act.** All meetings of the Board are subject to the Ralph M. Brown Act (Government Code Section 54950 et seq).

- (d) **Time of Regular Meetings.** Regular meetings of the Board shall be held at the principal office of the Corporation, quarterly or more often, as determined by resolution of the Board. (Amended 07/12/00)
- (e) Special Meetings. Special meetings of the Board may be called by the Chairperson of the Board or any Vice-Chairperson or the Secretary or any two Directors. Notice of special meetings must comply with all of the provisions of the Ralph M. Brown Act. No waiver of notice and no action by written consent is allowable.
- **(f) Annual Meeting.** The regular meeting of the Board in the month of September of each year shall also be the Annual Meeting.
- (g) Notice of Meetings. Written or printed notice of the time and place of every meeting shall be given to each member of the Board, to SETA, and to each person or organization which has requested (in writing) notice of such meeting, by delivering to such persons and organizations such notice either personally or by the United States Mail, postage prepaid, or by telegram, at least seven (7) days prior to such meeting and in the case of special meetings at least four (4) days prior to such meeting. If given by first-class mail or telegram, the notice shall be addressed to the person or organization at that address shown on the records of the Corporation and shall be deemed given at the time it is deposited in the mail or delivered to the Secretary-Treasurer or other person designated by the Chairperson, or, on the neglect or refusal of the person charged with such duty to do so, by any Director of the Corporation who, for the purpose of giving such notice, shall have made available at the principal office of the Corporation during regular business hours the records of the Corporation showing current addresses of all persons or organizations entitled to notice.
- (h) Contents of Notice. Notice of meetings of the Board shall specify the place, the day, and the hour of the meeting, and the business to be transacted.

- (i) **Quorum**. A quorum shall consist of fifty percent (50%) plus one (1) of the authorized Board members, present in person.
- (j) Adjournment for Lack of Quorum. In the absence of a quorum, any meeting of the Board may be adjourned from time to time by a vote of the majority of the members of the Board present in person, but no other business shall be transacted. If all members are absent from any regular or adjourned regular or special or adjourned special meeting, the clerk or Secretary of the Board may declare the meeting adjourned to a stated time and place.
- (k) Notice of Adjourned Meeting. Whenever a meeting is adjourned, written notice of the adjournment shall be given in the same manner as provided in Section 3.11(g) and 3.11(h) of this Article. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held within twenty-four (24) hours after the time of the adjournment. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings as set out in Section 3.11(d) of this Article.
- (l) Loss of Quorum. A meeting at which a quorum is initially present may continue notwithstanding the withdrawal of Directors, provided, however, that no action may be taken unless a quorum is actually present and participates in the action taken.
- (m) Voting. Each Director is entitled to one (1) vote on each matter submitted to a vote of the Directors. Voting at duly held meetings shall be by roll call, in which case the clerk shall call the roll and record each vote and report the final tally to the Chairperson. No Director may vote by proxy nor may any Director appoint a designee to act on that director's behalf.
- (n) Conduct of Meetings.
  - 1. Meetings of the Board of Directors shall be presided over by the Chairperson, or, in the Chairperson's absence, by the Vice-Chairperson, or in the absence of both, by a Chairperson chosen by a majority of the members present. The Secretary-Treasurer of the Corporation shall act as Secretary of all meetings of the Board provided that in the Secretary's absence the Presiding Officer shall appoint another person to act as Secretary of the meeting.
  - 2. Meetings shall be governed by Robert's Rules of Order, as such rules may be revised from time to time, insofar as such rules are not inconsistent with or in conflict with these Bylaws, with the Articles of Incorporation of the Corporation, with the Rules of Procedure as adopted by the Board from time to time, and with the law.
  - **3**. All meetings shall be open to the public and conducted in conformance with California Government Code Sections 54950 et seq., commonly referred to as the "Ralph M. Brown Act."

(o) No Action Without Meeting. No action of this Corporation may be taken by the Board of Directors except at a public meeting duly held in accord with the provisions of the Ralph M. Brown Act.

#### (p) Teleconferencing.

- 1. The Board may use teleconferencing for the benefit of the public and the Board in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all requirements of these bylaws and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding including, but not limited to, the Ralph M. Brown Act.
- **2.** Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting of the Board. All votes taken during a teleconferenced meeting shall be by rollcall.
- 3. If the Board elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner which protects the statutory and constitutional rights of the parties or the public appearing before the Board. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the Board shall participate from locations within the boundaries of the County of Sacramento. The agenda shall provide an opportunity for members of the public to address the Board directly at each teleconference location.

Moreover, members of the public must be able to hear the meeting and testify from each location. In addition, the teleconference location must be accessible to the disabled.
- **5.** For the purposes of this section, "teleconference" means a meeting of the Board or any Committee of the Board, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit The Board from providing the public with additional teleconference locations.
- **6**. The Board shall take no action by secret ballot, whether preliminary or final.

APPROVE THE ACCEPTANCE OF ADDITIONAL PROPOSITION 39 FUNDING
FROM THE CALIFORNIA WORKFORCE DEVELOPMENT BOARD (CWDB),
AUTHORIZE THE EXECUTIVE DIRECTOR TO EXECUTE THE FUNDING
AGREEMENT, MODIFICATIONS, OR OTHER DOCUMENTS REQUIRED BY THE
FUNDING SOURCE, AND ALLOCATE FUNDING TO SUBRECIPIENTS

#### **BACKGROUND:**

In December of 2015, the California Workforce Development Board (CWDB) awarded an additional \$400,000 to extend, for an additional year, SETA's Proposition 39 Clean Energy Job Creation Project to support energy efficiency-focused "earn-and-learn" job training and placement programs targeting disadvantaged job seekers.

Under the previous \$500,000 award, SETA and the Golden Sierra Job Training Agency worked in partnership with community colleges, community-based organizations, labor organizations, industry associations and employers to provide training, "earn and learn" activities, support services, and job placement assistance. The Capitol Region Multi-Craft Core Curriculum (CRMC3) served 65 youth, veterans, and/or other disconnected/disadvantaged adults. Of the 65 total enrollments, 38 were youth (8 female) ages 18 to 25 and 27 were adults (13 female). This included one adult veteran and four youth veterans.

Using the same criteria the Project will be enrolling an additional 55 participants.

SETA will continue to support pre-apprenticeship training provided by Northern California Construction Training, the American River STRIPE Pre-Apprenticeship program and the Sierra College pre-construction program, combined with on-the-job-training provided by the North State Building Industry Foundation and casemanagement provided by SETA and Golden Sierra.

The subrecipients include:

Organization	Amount
Golden Sierra Job Training Agency (case-management and	\$104,670
Sierra College pre-construction training)	
American River College	86,240
Northern California Construction Training	40,000
TOTAL	\$230,910

The remaining funds are budgeted for case management (\$87,015), supportive services (\$42,075), and administrative costs (\$40,000).

# APPROVAL OF BUDGET MODIFICATION FOR HEAD START FISCAL YEAR 2015-2016

#### **BACKGROUND:**

This agenda item provides the opportunity for the Governing Board to approve a budget modification for the Elk Grove Unified School District, a SETA delegate agency, in the amount of \$60,000 to cover the cost of needed environmental health and safety modifications at school sites, which include the purchase and installation of shade structures and modifications of existing play structures.

Due to recent changes in the Office of Management and Budget Uniform Guidance, the fixed asset threshold changed from \$25,000 to \$5,000. In the past, boards were not required to approve a delegate agency request for a fixed asset purchase prior to submission to the Administration for Children and Families (ACF). However, with the change in effect, all fixed assets and/or budget modifications to purchase fixed assets within a delegate agency require formal SETA board approval prior to submission.

Specifically, the Elk Grove Unified School District Head Start Program has projected under-spent funds in Personnel and Fringe Benefits due to two (2) teacher vacancies, two (2) para-educator vacancies, and two (2) Office Assistant III vacancies that were unfilled through the fall of 2015. The program is requesting to move \$30,000 from the Personnel and Fringe Benefits cost categories each to Equipment, as outlined below:

Cost Item	2015-2016 Original Budget	Т/ТА	Modification Increase (Decrease)	Final Budget
A. Personnel	\$1,793,584		(\$30,000)	\$1,763,584

Recent health, safety and environmental reviews showed a need for shade structures at two Head Start locations (David Reese Elementary and James McKee Elementary) and a play structure modification at two different Head Start locations (Franklin Elementary and Florin Elementary) in order to make them safe for children under the age of five years old.

Elk Grove Unified School District's Policy Council took board action on this item at its meeting on January 12, 2016 and SETA's Policy Council on January 26, 2016.

SETA staff will be available to answer questions.

#### **RECOMMENDATION:**

Approve a budget modification in the amount of \$60,000 from Personnel and Fringe Benefits to Equipment for the Elk Grove Unified School District, a SETA delegate agency for the 2015-2016 Head Start fiscal year.

#### **BACKGROUND:**

The SETA Children and Families Services Department warehouse is located at 241 North 10<sup>th</sup> Street, in Sacramento and covers 13,950 square feet of warehouse, workshop and office space. The lease for the facility expires on May 31, 2016 but contains an option to renew for one additional five-year term upon the same terms and conditions, except rent. The current monthly rate and proposed new monthly rate are as follows:

	Monthly Rent	Cost/Sq. Ft.
Current Rate	\$4,882.50	\$ .35
Proposed Rate	\$5,900.00	\$ .42

The proposed new monthly rate represents a 21% increase; however, the rate per square foot is very competitive for the area. The monthly rental rate includes utilities.

Deputy Director Denise Lee is available to answer questions.

#### **RECOMMENDATION:**

Approve renewal of the current lease for warehouse, workshop and office space for the SETA Children and Families Services warehouse for an additional five-year term with the new monthly rate of \$5,900.00.

CDP is "Census Designated Place" - a recognized community that was unincorporated at the time of the 2013 Census.

#### Notes:

- 1) Data may not add due to rounding. All unemployment rates shown are calculated on unrounded data.
- 2) These data are not seasonally adjusted.

#### Methodology:

Monthly city and CDP labor force data are derived by multiplying current estimates of county employment and unemployment by the employment and unemployment shares (ratios) of each city and CDP at the time of the 2013 Census. Ratios for cities of 25,000 or more persons were developed from special tabulations based on household population only from the Bureau of Labor Statistics. For smaller cities and CDP, ratios were calculated from published census data.

#### **Data Not Seasonally Adjusted**

	Labor	Employ-	Unemployment		Census Ratios	
Area Name	Force	ment	Number	Rate	Emp	Unemp

City and CDP unrounded employment and unemployment are summed to get the labor force. The unemployment rate is calculated by dividing unemployment by the labor force. Then the labor force, employment, and unemployment are rounded.

This method assumes that the rates of change in employment and unemployment, since 2013, are exactly the same in each city and CDP as at the county level (i.e., that the shares are still accurate). If this assumption is not true for a specific city or CDP, then the estimates for that area may not represent the current economic conditions. Since this assumption is untested, caution should be employed when using these data.

#### Notes:

- 1) Data may not add due to rounding. All unemployment rates shown are calculated on unrounded data.
- 2) These data are not seasonally adjusted.

#### Methodology:

Monthly city and CDP labor force data are derived by multiplying current estimates of county employment and unemployment by the employment and unemployment shares (ratios) of each city and CDP at the time of the 2013 Census. Ratios for cities of 25,000 or more persons were developed from special tabulations based on household population only from the Bureau of Labor Statistics. For smaller cities and CDP, ratios were calculated from published census data.

City and CDP unrounded employment and unemployment are summed to get the labor force. The unemployment rate is calculated by dividing unemployment by the labor force. Then the labor force, employment, and unemployment are rounded.

This method assumes that the rates of change in employment and unemployment, since 2013, are exactly the same in each city and CDP as at the county level (i.e., that the shares are still accurate). If this assumption is not true for a specific city or CDP, then the estimates for that area may not represent the current economic conditions. Since this assumption is untested, caution should be employed when using these data.

#### III. Action Items

A. Approval of the Submission of a Change in Scope for the Early Head Start-Child Care Partnership Grant to the Administration for Children and Families (ACF)

Ms. Denise Lee reviewed staff's recommendation to reprogram funds for the Early Head Start-Child Care Partnership grant. Staff, in partnership with Sacramento County Office of Education, scouted several alternate private providers to participate in the project. However, after much searching, no suitable provider was identified. Since this grant only allows for a center-based option; a switch of enrollment slots within the regular EHS program is recommended. This is strictly a 'puzzle shift' between both EHS programs. No money is moving out of the community.

Moved/Self, second/Woods, to approve the submission of the Early Head Start Child Care-Partnership Change of Scope to the Administration for Children and Families/Office of Head Start, resulting in a total funded enrollment of 80 infants/toddlers with a budget of \$2,516,160 for the project period of February 1, 2015 through July 31, 2016 (18-month project period).

Show of hands vote:

There will be a new light rail station. Although this will happen over a number of years, the planning has begun and everyone is excited.

Ms. Blanks inquired who developed the plan. Ms. Kossick stated that the application was developed as a giant community effort including community partners, Regional Transit, the County of Sacramento, the City of Sacramento, and local school districts.

## **Head Start Monthly Report** January 2016

#### SETA Operated Program

#### **Family Engagement**

We have been very pleased that Sacramento County has made full enrollment since the beginning of our program year (August). We continue to look for ways to get the word out about EHS/HS and all of the wonderful things we offer as a program. At our county-wide meetings we have been strategizing ways to publicize to parents about what are program can do for children and families.

We are also embarking on our annual self-assessment. This year the Family Engagement unit will focus on the mandated 45 day screening results, and the partnership process with parents. This gives our agency an additional opportunity to ensure that the services we say we are providing, is truly being offered.

#### Health, Nutrition, and Safe Environments

Our Health, Nutrition, and Safe Environments staff continues to process routings for children entering our program for the first time in addition to children currently enrolled who need special assistance meeting a medical requirement and/or need. Staff has also been working on processing special diet referrals as well as any other hearing and vision screening follow ups. They are currently processing 277 routings and referrals along with 174 special diets.

On December 10, 2015, Health, Nutrition, and Safe Environment staff participated in the Otoacoustic Emissions (OAE) hearing screening training that was provided by Sarah Buhre, Deaf/Hard of Hearing Education Specialist for Contra Costa County Office of Education Early Start Program. Children in our program who do not pass the initial hearing screening, conducted in our centers, are referred to Health, Nutrition, and Safe Environment Staff to have an additional screening using the OAE equipment. We currently have 49 audiometers, which are used in the centers and two OAE machines which are only used by Health, Nutrition, and Safe Environment Staff.

#### Governance

Ms. Belinda Malone and Ms. Susan Adams facilitated a School Readiness Aide (SRA) Orientation Thursday, December 10 at SETA. The training was a success and parents were excited about the opportunity. Amazingly, one of the parents is a great grandmother! The attendance was low because training was a make-up session. Another SRA orientation will be scheduled in February or March. Thank you, Belinda and Susan for facilitating training.

The PC/PAC Meet and Greet Breakfast was held December 10 at SETA in the Sequoia Room. The event was a huge success and can be attributed to PC/PAC Executive committee member's involvement in planning the event. There were thirty-five (35) parents and staff in attendance, and it was apparent everyone was having an enjoyable experience getting acquainted because of the amount of laughter and conversation. The purpose of the Meet and Greet Breakfast was for parents to have an opportunity to get to know each other as a new board and

prior to the election of officers. Mr. Kenneth Tate (former PC Vice Chair), was an excellent facilitator and executive officers did an awesome job sharing their experience as an officer. Thank you Mr. Kenneth Tate (former PC Vice Chair), Ms. Amanda Self (former PC Secretary), and Ms. Robin Blanks (former PC Treasurer) for an impressive successful *Meet and Greet Breakfast* that surpassed last year's event.

PC/PAC officer elections for program year 2015-2016 were held last month. PAC officers were elected Tuesday, December 15 and PC officers elected Wednesday, December 16. PAC officers: Ms. Terri McMillin (Chair), Mr. Kenneth Tate (Vice Chair), Ms. Georgina Schroeder (Secretary), Ms. Penelope Scott (Treasurer), and Ms. Stephanie Brussard (Parliamentarian). PC officers: Mr. Kenneth Tate (Chair), Ms. Linda Litka (Vice Chair), Ms. Amanda Self (Secretary), Mr. Reginald Castex (Treasurer) and Mr. Dennis Perez (Parliamentarian). Congratulations to all new PC/PAC new officers, 2015-2016 program year! We look forward to an exciting and productive year as parents and staff partner together in decision making to ensure quality service delivery to Head Start/Early Head Start children and families.

#### **Health and Nutrition**

This month marked the completion of the semester's clinical rotation with School Nurse Victoria Benson for the RN to BSN student from California State University, Sacramento. Nurse Benson planned a variety of clinical experiences for her nursing student during the semester, including a supervised home visit to a preschooler, his sibling, and both foster care parents.

On December 1, Nurse Benson also welcomed two CSUS senior nursing students who shadowed her during her work day as part of the student's community health nursing rotation.

Early Head Start's new School Nurse, Alyssa Quain, was welcomed to the Health, Nutrition and Safe Environments Committee meeting held on December 10. Nurse Quain gave an overview of the upcoming SB 277 changes to the personal beliefs exemptions and what it will mean to registering children in the Child Development Programs.

Dr. Richard Pan, the creator of SB 277, was very active in supporting Sacramento City Unified School District's School Nurses. Dr. Pan was the facilitator of medical case studies gleaned from the School Nurses' health encounters with students and their families in the district. Nurse Benson participated in a number of these case studies through the years and states that these teaching experiences proved to be very valuable.

A portion of the Health, Nutrition and Safe Environments (HNSE) Committee meeting was also devoted to reviewing the protocol for the upcoming Self-Assessment process. Self-Assessment committee members will soon audit a sampling of files in selected Head Start and State classrooms and a date was selected to review the HNSE Service Area Plan in January.

This new center will be a wonderful resource for the ECE community including holiday help, classes, free family events, and more. This grand opening event also had information for families with children going into kindergarten, and will serve as a great resource in helping with the transition for families.

#### **Program Support/Staff Training Update**

Teachers and Assistants were trained on Guided Language Acquisition Development (GLAD) strategies for preschool classrooms. One of the strategies demonstrated was the use of an Observation Chart. The chart features a photo that is big enough for a large group of children to view (8x11). Chart paper is attached to the image and children are asked "What do you observe?" Teachers take dictation from each child, writing exactly what each child says, and then date the chart. This chart is then hung on the wall low enough for children to access the photo and the writing. Multiple charts are used and children later compare what they see on different charts. Later in the week, children are directed to go back to the photos and are asked the question, "What do you see now?"

#### **Fiscal Update**

The 2015-2016 Head Start and Early Head Start programs are almost 50% through the year. All fiscal, In-Kind, Attendance, and Enrollment Reports have been submitted to SETA, the Grantee, on time. All expenses are inline with the budgeted expenses submitted in the 2015-16 HS/EHS Budget. Enrollment, counting 30 day drops, is at 100% and Attendance is ranging between 82% to 87%. Revised personnel allocations for both HS and EHS were submitted to Budget Services - Position Control the week of December 14-18. The revised allocations are a result of assignment changes due to the ECE Redesign. All revised positions were effective as of October 1, therefore, any budget affected by these changes will be modified during 2<sup>nd</sup> Interims. Expenditure Transfers will be completed to reflect these changes going back to October 1 and forward.

The second week of December, a SETA monitor/auditor was at the ECE Main/Marvin Marshall office auditing March 1<sup>st</sup> through the close out of last year (July 31, 2015). At this time no deficiencies or non-compliance issues have been noted. #### **Early Head Start**

This month the Early Head Start staff had a half day for the First Friday staff meeting. Staff reviewed the state CCFP guidelines relating to special diets and menu production records with the Nutrition Lead Teachers. They also received updated information and resources for their Parent Family and Community Engagement binders. The balance of the meeting was focused on classroom teachers developing their DRDP 2015 classroom summaries, which were due at the end of December. Classroom staff had the opportunity to discuss with each other the trends they saw in their classroom level data, develop strategies to strengthen children's skills for the current assessment period, and consult with each other about common themes and ideas in the Fall assessment data. Late this month, all center based parents had another opportunity to collaborate with teachers at home visits and go over their child's progress.
