APPROVAL OF REVISED ADMINISTRATIVE SERVICES AGREEMENT WITH THE INTERNATIONAL CITY MANAGEMENT CORPORATION (ICMA)

BACKGROUND

In November, 1992 the Governing Board approved the addition of the ICMA Retirement Corporation to be a deferred compensation provider for SETA. In December, 1992 the Board adopted the ICMA Deferred Compensation Plan and authorized the Governing Board Chairperson to sign the Administrative Services Agreement with ICMA.

In the last several months, staff have met with ICMA representatives to review the services provided and administrative fees under the current ICMA Administrative Agreement. Therefore, ICMA has proposed to lower the Plan administration fee of 0.9% per annum of the amount of Plan assets invested in the Trust to 0.29% per annum of the amount of Plan assets invested in Vantage Trust. The administration fees are deducted directly from the accounts of the participants.

APPROVAL OF THE 2018-2019 COMMUNITY SERVICES BLOCK GRANT COMMUNITY ACTION PLAN

BACKGROUND:

Enclosed (under separate cover) for approval is the draft 2018-2019 Community Services Block Grant (CSBG) Community Action Plan. A locally determined plan for the use of CSBG funding is required by the State Department of Community Services and Development (CSD) prior to the release of funds. This two-year draft Community Action Plan presents the Community Services Block Grant service priorities for the period of January 1, 2018 through December 31, 2019; however, SETA's contract with CSD is executed on an annual basis. The current annual funding level is \$1,758,773 for calendar year 2017, but the funding level for 2018 is unknown at this time. The draft Community Action Plan has been made available for public comment on the SETA website at <u>www.seta.net</u>.

The draft Community Action Plan was developed through an extensive needs assessment process utilizing multiple information and data sources including public testimony, a community-wide survey on needs from current and past clients, an analysis of the latest available demographic Census data and studies, a review of publications on trends and issues in Sacramento County, interviews with homeless adults and youth in homeless encampments, and other sources of information depicting the most recent conditions affecting low-income households in Sacramento County.

Based on key findings emerging during the development of the 2018-2019 Community Action Plan, SETA recommends a continued or expanded effort to stabilize in-crisis, vulnerable and homeless families for employment services they may not have been able to access on their own, to continue support services that keep homebound and disabled seniors in their housing-of-choice, to continue support for emancipating foster youth and youth services that modify gang/pre-gang and risky/unlawful behaviors, with an emphasis on mitigating African-American juvenile arrest rates, and maintenance of a safety-net program providing vital household and family resources for working poor households facing immediate economic shortfalls and households unable to benefit from family self-sufficiency services.

A summary of the Community Information Profile is attached.

The CAB will meet on May 31, 2017 to take action on the Plan.

RECOMMENDATION:

Review and approve the 2018-2019 Community Services Block Grant Community Action Plan.

<u>COMMUNITY SERVICES BLOCK GRANT</u> 2018-2019 DRAFT COMMUNITY ACTION PLAN (CAP)

KEY FINDINGS

The Community Information Profile and Needs Assessment describes the problems and causes of poverty in the SETA Community Action Area based on public testimony, community surveys, and verifiable data and information. Most of the statistical data found in the 2018-2019 CAP was derived from the 2015 American Community Survey, a product of the U.S. Census Bureau. The profile below describes levels of poverty by demographic groups in Sacramento County.

Poverty Rate

The most recent 2015 data shows a Sacramento County poverty rate of 16.9%, or 249,973 persons living below Federal Poverty Income Guidelines, down from a rate of 18.7% in 2013.

Single Parents

Approximately 35.3% of single parent households with children under 18 years are living below Federal Poverty Income Guidelines. For female-headed households with children under 5 years, the poverty rate is 45.3%.

<u>Seniors</u>

Although low in comparison with other demographic groups, the 2015 senior poverty rate of 10.2% has risen significantly over the past 5 years; nearly 3 percentage points higher than the 2010 rate of 7.5%. This represents an increase of over 7,000 impoverished seniors in Sacramento County over the same period.

<u>Youth</u>

Children age 0-17 years comprise over 25% of Sacramento County's total population. Among this age group, the poverty rate is 25%, about 5.3 percentage points higher than the rate in 2010. The poverty rate for children under 5 years is up throughout the county and higher than any other age group at 27%.

Sacramento County teen birth rates have continued a downward trend, down over 70% from 2007 at 42/1,000 births, to a 2013 rate of only 12/1,000 births. Although the number of foster youth in the child welfare system has fallen significantly over the past 5 years, 10 Sacramento County foster youth were still exited or emancipated into a condition of homelessness or an emergency shelter in in 2016.

African-American youth ages 10-17 continue to experience extremely high felony and misdemeanor arrest rates of 445% for males and 369% for females when compared with average rates for their peers across all demographics.

Key Findings (continued) Page 2

Labor Force and Unemployment Data

The Sacramento County unemployment rate continues to decline at 5.1% in March 2017. Higher than average unemployment rates are found in Walnut Grove (18.7%), Isleton (8.8%), Florin (7.5%), Arden Arcade (6.5%), Galt (6.0%), Rancho Cordova (5.7%), Rosemont (5.7%), Carmichael (5.6%), Sacramento (5.4%), Citrus Heights (5.4%), and North Highlands (5.2%).

Homelessness

A report documenting the January 2017 Homeless Count had not been released in time for inclusion into the Community Action Plan draft. This section will be updated with 2017 Homeless Count data if it becomes available prior to the June 30, 2017 CAP submission deadline. However, it was reported that in 2015, that there were approximately 2,659 adults and children from 2,115 households living in shelters, transitional housing or places not fit for human habitation.

<u>Hunger</u>

The Sacramento County Department of Health and Human Services reports that a monthly average of 213,173 adults and children participated in CalFresh programs during 2016.

<u>CAP Target Populations</u>: Based upon the needs assessment, CSBG services will be prioritized for the following target groups:

- Single parent households, especially single parent female households with children 0-5 seeking self-sufficiency
- Low-income and homeless households, including victims of domestic violence, ex-offenders and veterans, seeking self-sufficiency
- Youth, including emancipating foster youth, juvenile justice involved youth, homeless youth, teen parents, truant youth, and youth at risk of gang involvement or dropping out of school

APPROVAL OF APPOINTMENT TO THE SACRAMENTO WORKS WORKFORCE DEVELOPMENT BOARD

BACKGROUND:

The local Sacramento Works Workforce Development Board was newly formed in early 2016 to comply with the 2014 Workforce Innovation and Opportunity Act. As part of its action on February 4, 2016, the SETA Governing Board satisfied the desire for a smaller Workforce Development Board by setting the size of the Board at twenty-five members and allocated the twenty-five membership positions to the five membership categories in the following manner: Thirteen members were allocated to business (a majority of the membership); four members were allocated to Labor and Apprenticeship (at least 15% of the membership); six members were allocated to specific programs in the workforce system (community based organizations, Adult Education, Higher Education, Economic Development, Wagner-Peyser (EDD) and Vocational Rehabilitation); and two members were allocated to the "Other" category permitted by WIOA to provide the Governing Board with flexibility in appointing members in this catch-all category.

On March 3, 2016 the Governing Board appointed twenty-five members to the newly formed Sacramento Works Workforce Development Board. Ms. Charlotte Mitchell, Executive Director of the Sacramento County Farm Bureau, recently resigned from the board. Ms. Mitchell was appointed to a four-year term to represent Private Business.

During the recruitment process for the new board, SETA received applications in early 2016 for seats representing Private Business. Each applicant included on the attached list has confirmed their continued interest to become a member of the Sacramento Works Board. The applications are sent under separate cover.

Historically, the Executive Committee of Sacramento Works has recommended the name(s) of individual applicants for appointment to the private sector seats by the SETA Governing Board. The Sacramento Works Executive Committee met on Monday, May 22 and recommend Mr. Tom Kandris to fill the vacant Private Business seat.

RECOMMENDATION:

Approve the appointment of Mr. Tom Kandris to fill the Private Business seat vacated by Ms. Charlotte Mitchell.

A draft copy of the RFP will be sent under separate cover.

RECOMMENDATION:

AGREE WITH SACRAMENTO WORKS, INC. BOARD TO APPROVE THE WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA), SACRAMENTO WORKS, INC., RESOURCE ALLOCATION PLAN FOR 2017-2018

BACKGROUND:

The Resource Allocation Plan (RAP) establishes how the funding, allocated to Sacramento County through the Workforce Innovation and Opportunity Act (WIOA), Adult and Dislocated Worker programs, and the CalWORKs funds allocated to SETA by the Sacramento County Department of Human Assistance (DHA), will support services, activities and functions within the Sacramento Works America's Job Center System (SWAJC). Funds that are allocated provide activities and services that assist unemployed and underemployed individuals gain the skills necessary to enter high demand careers in the region and offer employers the services they need to hire qualified candidates. On an annual basis, Sacramento Works, Inc. (SWI) reviews the RAP and approves the percentage of funds that will be allocated to each activity for the next fiscal year.

The allocation for Program Year (PY) 2017-2018 for the WIOA Adult, Dislocated Worker, and CalWORKs programs is estimated to be \$6,764,762, representing a 23 percent decrease (\$1,989,511) from PY2016-2017 funding levels. If final allocations are different from projections, then the RAP allocations will be adjusted proportionately. The decrease is attributable to reductions in estimated WIOA Title I, Adult and Dislocated Worker allocations (\$509,742), and the elimination of the CalWORKs On-the-Job Training/Subsidized Employment (\$1,479,769) program.

For the past several years, the DHA has contracted with SETA to provide On-the-Job Training/Subsidized Employment (OJT/SE) services via SETA's network of subcontracted service providers. In addition, DHA also contracted separately with OJT/SE service providers. DHA recently released a Request for Proposals, and beginning in PY2017-2018, will be contracting directly with OJT/SE service providers, including the majority of service providers that are currently SETA subcontracted service providers. Funding recommendations are scheduled to be approved at the June 6, 2017, County Board of Supervisors Meeting, and it is anticipated that the net effect on services available due to the reduction in CalWORKs funds will be minimal.

Over the past year, the SWAJCs have transitioned from the former bifurcated system of Job Centers and Training Centers to the current system of neighborhood-based Job Centers that provide access to the full menu of career and training services. In addition, the SWAJCs have transitioned to the State's CalJOBS electronic case management system and continue to implement the WIOA's evolving reporting requirements.

PRESENTER: Roy Kim

ITEM III-B - 5 – ACTION (continued) Page 2

For 2017-18, staff is recommending the following RAP categories and percentages:

61.4%	Job Center Career Services
24.8%	Training Services
6.7%	Job Center Support
5.6%	Administration
<u>1.5%</u>	Board Initiatives
100%	Total

The proposed changes to the RAP are primarily the result of the elimination of the CalWORKs OJT/SE funds, together with the accompanying reduction in the WIOA funds allocated to OJT/SE, which significantly reduces the percentage allocated to Training Services. In addition, the reductions in the estimated WIOA allocations have necessitated corresponding reductions across the remaining RAP categories.

The proposed RAP chart and definitions are attached for your review.

The RAP was approved by the Planning/Oversight Committee on May 17, 2017 and the Sacramento Works, Inc. board on May 24, 2017.

RECOMMENDATION:

Agree with the Sacramento Works, Inc. board to approve the Sacramento Works, Inc. Resource Allocation Plan for 2017-18.

These funds are utilized as established in a Resource Allocation Plan (RAP) approved annually by the Sacramento Works, Inc. (SWI) Board, Sacramento's Local Workforce Development Board (LWDB), and the SETA Governing Board. A portion of the WIOA Adult and DW funds are reserved by SETA to fund SETA-hosted Sacramento Works America's Job Centers of California (Job Centers), and administrative and support staff, and a portion of the funds are allocated through a Requests for Proposals (RFP) process to organizations to host Job Centers. In addition, WIOA Title I and CalWORKs funds are allocated to organizations to operate On-the-Job Training/Subsidized Employment (OJT/SE) programs. The WIOA, Title I, and CalWORKs RFP process is required to be conducted at least once every four years.

On June 2, 2016, the SETA Governing Board approved funding seven organizations to host Job Centers that were successful in responding to the Sacramento Works America's Job Centers System Services RFP released on March 4, 2016. The Job Centers are strategically located throughout Sacramento County and provide job seekers with universal access to a variety of tools and services intended to result in entry into career pathways in high demand occupations. Services include, but are not limited to, in-depth assessments, career coaching, computer and financial literacy, labor market information and career exploration, job search assistance, adult education and literacy, vocational and entrepreneurial training, and apprenticeship opportunities.

In addition to funding seven organizations to host Job Centers, the SETA Governing Board approved funding six organizations to provide OJT/SE services. The OJT/SE activity is intended to engage prospective employers in providing appropriate and meaningful training opportunities. OJT/SE is a "hire first" activity that provides up to 100% reimbursement of wages paid by an employer to an employee during the training period.

Contracts were negotiated and executed with the funded Job Centers and OJT/SE subcontractors for a one-year time frame, which began July 1, 2016, and all contracts contain language that provides SETA the sole discretion to extend contracts for up to three additional one-year terms based on program performance and funding availability.

<u>ITEM III-B – 6 – ACTION (</u>continued) Page 2

The purpose of this item is to request the Board's approval to extend contracts for the seven subcontracted Job Centers to cover 2017-18 program year services beginning July 1, 2017, as indicated in the attached funding charts. Consistent with SETA's 2017-18 Resource Allocation Plan (RAP), recently approved by the Sacramento Works, Inc. (SWI) Board, allocations are recommended at a 5 percent reduction in Basic and Individualized Career Services for all subcontracted Job Centers, and include a recommendation for level funding of scholarships. Allocations are recommended based on projected reductions of \$509,742 in SETA's WIOA, Title I, Adult and DW funding for 2017-18.

As discussed in the 2017-2018 RAP, due to the DHA's recent RFP for OJT/SE services, its direct contracts with OJT/SE service providers, and its corresponding elimination of approximately \$1,480,000 in CalWORKs funding to SETA to administer the OJT/SE program, as well as the projected reductions in SETA's WIOA, Title I, Adult and DW funding, SETA is not recommending funding OJT/SE subcontracts for 2017-18, at this time. With the net reductions in funding, there are insufficient financial resources to fund a stand-alone WIOA-funded OJT/SE program. OJT/SE will remain available via the DHA's direct contracts with OJT/SE service providers. To ensure access to OJT/SE opportunities for non-CalWORKs customers, all Job Centers will be allowed the flexibility to utilize Scholarship funding for OJT/SE opportunities.

While staff is not recommending funding of WIOA OJT/SE for 2017-2018, at this time, should additional funds become available for allocation during 2017-2018, staff will return with a funding recommendation to contract OJT/SE services applying the same terms and conditions of the original RFP.

Through May 15, 2017, the Job Centers system has provided Basic Career Services to approximately 25,000 customers and Individualized Career Services to approximately 2,600 customers. The subcontracted Job Centers account for approximately 30 percent of the Basic Career Services provided, and 55 percent of the Individualized Career Services provided system wide.

SETA staff have monitored and evaluated Job Centers on overall past program performance and their ability to meet planned performance levels. The formal review of Job Centers was recently completed for services provided through April 30, 2017. Evaluation criteria reviewed for performance included, but were not limited to:

- Achievement of planned performance goals
- Ability to enroll and serve target populations
- Achievement of WIOA Adult and Dislocated Worker Performance Measures
- Documentation of services and client progress towards goal attainment in the CalJOBS case management system

ITEM III-B – 6 – ACTION (continued) Page 3

• Ability to provide required WIOA program elements and adhere to policies and program guidelines

System-wide, the Job Centers have experienced challenges in enrollment numbers this current program year resulting from the transition to full implementation of the WIOA, the transition to a system model focusing on universal access to neighborhood-based Job Centers that provide the full menu of services available under the WIOA, and the transition to EDD's electronic participant tracking and case management system, CalJOBS, which was unavailable for the first two months of the program year. These challenges hampered enrollments throughout the system over the first quarter of the year, but enrollments began to increase thereafter and Job Centers continue to make progress towards meeting performance goals.

If approved, Job Center funding extensions will be subject to satisfactory year-end program performance reviews. Staff will review Job Center performance in August 2017. Those Job Centers that do not meet year-end performance goals may be subject to the deobligation of funds.

RECOMMENDATIONS:

Approve funding extension recommendations for the WIOA Title I, Adult/Dislocated Worker Programs as listed on the attached chart, and approve the following stipulations:

- If final WIOA, Title I, Adult and DW 2017-18 funding is less than anticipated, staff will adjust the amounts allocated to Job Centers, proportionately.
- If final WIOA, Title I, Adult and DW 2017-18 funding is greater than anticipated, staff will return with a recommendation to augment services, which may include contracting for OJT/SE.
- Funding allocated to Job Centers will be subject to satisfactory year-end program performance. Job Centers that do not meet year-end performance goals and benchmarks may be subject to the deobligation of funds.

APPROVAL OF FUNDING EXTENSION RECOMMENDATIONS FOR THE WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA), TITLE I, YOUTH PROGRAM, FOR PROGRAM YEAR 2017-2018

BACKGROUND:

In 2016, SETA executed a four-year procurement to secure WIOA Program Operators to provide In-School Youth and Out-of-School Youth services. All subgrants were awarded for a twelve-month period beginning July 1, 2016 and ending on June 30, 2017. SETA/Sacramento Works has the option to extend any subgrant awarded for up to three additional one-year terms.

The Sacramento WIOA youth funds are allocated in two categories: Individualized Services for In-School Youth and Individualized Services for Out-of-School Youth.

Individualized Services:

The Workforce Innovation and Opportunity Act identified specific program elements to be incorporated into the delivery of youth services.

- 1. Secondary School Completion Services
- 2. Alternative Secondary School Services
- 3. Paid or unpaid work experience that have academic and occupation education as a component of the work experience
- 4. Occupational Skills Training that lead to recognized post-secondary credentials that align with in-demand industry occupations
- 5. Education offered concurrently with and in the same context as workforce activities and training for a specific occupation
- 6. Leadership development opportunities, including community service and peercentered activities encouraging responsibility and other positive and civic behaviors
- 7. Supportive Services
- 8. Adult Mentoring
- 9. Comprehensive Guidance and Counseling
- 10. Follow-up Services for not less than 12 months after program completion
- 11. Financial literacy education
- 12. Entrepreneurial skills training
- 13. Career awareness, career counseling and career exploration services about indemand industry sectors/occupations
- 14. Activities that help youth prepare for and transition to post-secondary education and training.

The WIOA Youth Program requires that these elements be part of a comprehensive and community-focused program design providing an age continuum of services to the

target population. Program services will address the barriers of the targeted youth and prepare them to obtain employment in a high wage/high growth industry or in an occupation with future career advancement opportunity, enter an education or training program, attain a degree/certificate, achieve measureable skill gains or return to/remain in secondary/alternative secondary school.

Funding Recommendations

SETA is recommending the extension of subgrant awards from July 1, 2017 through June 30, 2018 based on the following criteria:

Performance Criteria

Demonstrated ability to attain WIOA Common Measures, enrollment, training completion and placement goals as outlined below:

Attainment of 20% WEX Expenditures for Paid or Unpaid Work Experience Defined as employment opportunities such as work experiences during the summer and throughout the school year; pre-apprenticeship programs; internships and job shadowing; and on the job training.

Delivery of the Four Required Program Activities (Out-of-School Youth):

Defined as:

- 1. Alternative School Completion: All out-of-school youth that do not have a GED or high school diploma must enroll in services to attain either a GED or high school diploma.
- 2. Work Experience: Paid or unpaid work experience that have academic and occupation education as a component of the work experience, which may include:
 - Summer employment opportunities and other employment opportunities available throughout the school year
 - Pre-apprenticeship programs

 - Summer employment opportunities and other employment opportunities available throughout the school year
 - Internships and job shadowing
 - Leadership development opportunities, including community service and peercentered activities
- 3. Follow-up services

Contractual Program Performance

Evaluation of current performance will include the program operator's ability to manage the program. Examples of evaluation criteria include:

1) Achievement of quarterly planned enrollment goals.

2) Enrollment of target groups to planned levels in the contract.

3) Ability to serve "hard-to-serve" populations.

- 4) Submission of timely fiscal and MIS reports to SETA
- 5) Achievement of quarterly WIOA youth performance goals.

FUNDING ALLOCATIONS

SETA has received notice of an estimated Program Year (PY) 2017-18 youth funding allocation of \$3,597,433, a decrease in \$166,466 from the PY 2016-2017 youth allocation.

In addition, staff is projecting no carry-in of funds from the current fiscal year, which will significantly affect funding recommendations. Total youth funding recommendation for PY 2017-2018 is \$2,450,927 representing a 5% funding reduction to the WIOA In-School and Out-of-School Youth programs. The remaining funds are allocated to program administration, support, monitoring and fiscal management.

APPROVAL OF THE EXTENSION OF THE ONE-STOP SHARE OF COST AGREEMENT WITH THE COUNTY DEPARTMENT OF HUMAN ASSISTANCE, PY 2016-2017, AND AUTHORIZE THE EXECUTIVE DIRECTOR TO SIGN THE AGREEMENT AND ANY REQUIRED DOCUMENTS PERTAINING TO THE AGREEMENT

BACKGROUND:

The Workforce Innovation and Opportunity Act (WIOA) requires that One-Stop Required Partners contribute a share of the costs of the One-Stop System proportionate to the use of the system by individuals attributable to the partner program. Since 2003, SETA has entered into an agreement with the County of Sacramento, Department of Human Assistance (DHA) to provide One-Stop Career and Training Services to CalWORKs customers.

SETA is awaiting the final agreement from DHA extending the One-Stop Share of Cost contract for an amount up to \$2,000,000, and continuing services to CalWORKs recipients through PY2016-2017. The agreement will cover Sacramento County's share of cost for the operation of the Sacramento Works America's Job Center System.

RECOMMENDATION:

Approve the extension of the One-Stop Share of Cost agreement with the Department of Human Assistance for up to \$2,000,000, and authorize the Executive Director to execute the agreement.

APPROVAL TO ACCEPT THE NATIONAL DISLOCATED WORKER GRANT "STORM PROJECT" FUNDING FROM THE EMPLOYMENT DEVELOPMENT DEPARTMENT AND AUTHORIZE THE EXECUTIVE DIRECTOR TO EXECUTE THE FUNDING AGREEMENT, ANY MODIFICATIONS, OR OTHER DOCUMENTS REQUIRED BY THE FUNDING SOURCE

BACKGROUND:

In late February 2017, SETA submitted a concept paper to the California Employment Development Department (EDD) that was incorporated into EDD's application to the U.S. Department of Labor for the National Dislocated Worker Grant "Storm Project". The Storm Project will serve dislocated workers with temporary employment in repairing and cleaning up the areas in Sacramento County impacted by the 2016-2017 Winter flooding.

On April 4, 2017, SETA received notice of the approval of the Storm Project in the amount of \$600,000 to serve 50 dislocated workers between March 1, 2017 and September 30, 2018. The funding will be released in increments with the first \$200,000 to be used by September 30, 2017.

RECOMMENDATION:

Approve the acceptance of the National Dislocated Worker Grant "Storm Project" funding from the Employment Development Department, and authorize the Executive Director to execute the funding agreement, any modifications, or other documents required by the funding source.

APPROVAL OF BUDGET MODIFICATION FOR HEAD START FISCAL YEAR 2016-2017

BACKGROUND:

This agenda item provides the opportunity for the Governing Board to approve a budget modification for fiscal year 2016-2017 for up to \$725,000 to purchase a replacement modular building for SETA's Hopkins Park Early Learning Center (ELC).

SETA applied and was awarded supplemental funding to extend service hours (Duration) for 140 Head Start children. As part of the funding, SETA received \$275,000 in start-up funds to renovate and set-up a new center location and add one additional classroom at Vineland Elementary Head Start. To date, staff has been unable to identify a suitable new location in which to expand services and, at the same time, Twin Rivers Unified School District is unable provide an additional classroom on the Vineland campus. Hence, staff is recommending to move Duration enrollment slots from Vineland Elementary and the unidentified new location to the Hopkins Park Early Learning Center.

Since 2006, SETA has been leasing a modular building to serve children and families at the Hopkins Park Early Learning Center. Previous to SETA, the modular unit was leased by a SETA Delegate Agency, Meadowview Community Action, resulting in more than 20 years of use. Over the decades, the modular unit has had several modifications and repairs to ensure health and safety for the children, parents and staff. However, the modular is beyond further repair and is in need of a full replacement to meet Head Start performance standards, ADA requirements, and SETA quality standards. The current leasing company does not have a replacement modular suitable for the space. As a result, staff has been working with vendors to acquire estimates for leasing and/or building-to-suit. Staff recommends a build-to-suit solution utilizing supplemental (Duration) start-up funds and under-spent Head Start basic funds in the current fiscal year.

Supplemental (Duration) start-up funds in the amount of \$275,000 will be reprogramed to support the modular purchase and provide extended services to Head Start children at the Hopkins Park ELC. In addition, approximately \$450,000 will be reprogrammed from Personnel, Fringe Benefits, and Allocated Services and Supplies within the Head Start basic budget. The \$450,000 from the Head Start Basic budget is available due to various unplanned vacancies in the SETA Operated Program throughout the program year. Vacancies are largely teaching positions with various support positions vacated due to retirements and/or external job opportunities. Funds will be combined, not to exceed \$725,000, to replace the modular unit at Hopkins Park ELC.

PRESENTER: Denise Lee

ITEM III-C – 1 – ACTION (continued) Page 2

A detailed budget outlining changes from each cost category will be provided at the meeting.

Staff will be taking action to request this budget modification with the Regional Office of the Administration for Children and Families. Staff anticipates that a carryover request into the new grant year will also be required.

The Policy Council will take action on this item on May 30.

Staff will be available to answer questions.

RECOMMENDATION:

Approve a budget modification in fiscal year 2016-2017 for up to \$725,000 of which approximately \$275,000 will be reprogrammed from the supplemental (Duration) startup funds and approximately \$450,000 will be reprogrammed from under-spent Head Start Basic funds.

BACKGROUND:

The unemployment rate for Sacramento County for the month of April was 4.4%.

Attached is a copy of a press release from the Employment Development Department breaking down the job losses and job creations for the regional area.

Staff will be available to answer questions.

PRESENTER: Roy Kim

SACRAMENTO—ROSEVILLE—ARDEN-ARCADE METROPOLITAN STATISTICAL AREA (MSA) (EL DORADO, PLACER, SACRAMENTO, AND YOLO COUNTIES) <u>Construction lead month-over job gains</u>

The unemployment rate in the Sacramento--Roseville--Arden-Arcade MSA was 4.4 percent in April 2017, down from a revised 5.0 percent in March 2017, and below the year-ago estimate of 5.1 percent. This compares with an unadjusted unemployment rate of 4.5 percent for California and 4.1 percent for the nation during the same period. The unemployment rate was 4.2 percent in El Dorado County, 3.7 percent in Placer County, 4.6 percent in Sacramento County, and 5.0 percent in Yolo County.

Between March 2017 and April 2017, combined employment in the counties of El Dorado, Placer, Sacramento, and Yolo increased by 2,500 to total 965,900 jobs.

- Construction (up 1,100 jobs) led the region with a normal seasonal job gain from March to April. Specialty trade contractors added 400 jobs. Construction of buildings increased by 100 jobs.
- Leisure and hospitality gained 1,000 jobs over the month. Accommodation and food services accounted for 90.0 percent of the job additions, picking up 900 jobs. Arts, entertainment, and recreation added 100 jobs.
- Farm employment experienced a gain of 800 jobs.
- Meanwhile, three major industries experienced month-over declines: trade, transportation, and utilities (down 700 jobs), manufacturing (down 300 jobs), and information (down 100 jobs).

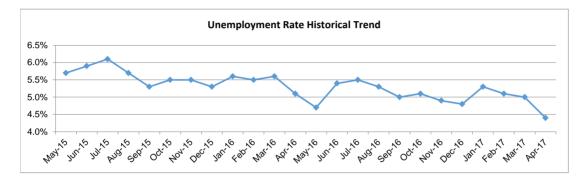

Between April 2016 and April 2017, total jobs in the region increased by 10,300, or 1.1 percent.

- Educational and health services (up 6,400 jobs) continued to lead year-over growth for the seventh consecutive month. Health care and social assistance was responsible for the expansion with 6,500 jobs. These gains offset a slight loss in education services (down 100 jobs).
- Leisure and hospitality gained 3,500 jobs, with the majority of the increase in accommodation and food services (up 2,400 jobs). Arts, entertainment, and recreation contributed 1,100 jobs over the year.
- Professional and business services added 1,600 jobs from last April. Administrative and support and waste services grew by 1,600 jobs. Professional, scientific, and technical services gained 700 jobs. These gains offset a decline in management of companies and enterprises, which dipped by 700 jobs.
- Five major industries experienced job reductions from last April, led by construction (down 2,300 jobs), manufacturing (down 1,100 jobs), other services (down 900 jobs), information (down 600 jobs), and farm (down 200 jobs).

1) Data may not add due to rounding. All unemployment rates shown are calculated on unrounded data.

2) These data are not seasonally adjusted.

Methodology:

Monthly city labor force data are derived by multiplying current estimates of county employment and unemployment by the relative employment and unemployment shares (ratios) of each city at the time of the 2009-2013 American Community Survey. Ratios for cities were developed from special tabulations based on ACS employment, unemployment, and population and Census population from the Bureau of Labor Statistics. For smaller cities and CDPs, ratios

Monthly CDP's labor force data are derived by multiplying current estimates of county employment and unemployment by the relative employment and unemployment shares (ratios) of each CDP at the time of the 2011-2015 ACS survey. Ratios for CDPs' were developed from special tabulations based on ACS employment and unemployment from the Bureau of Labor Statistics.

This method assumes that the rates of change in employment and unemployment since the 2009-2013/2011-2015 American Community Survey are exactly the same in each city and CDP as at county level (i.e., that the shares are still accurate). If this assumption is not true for a specific city or CDP, then the estimates for that area may not represent the current economic conditions. Since this assumption is untested, caution should be employed when using these data.

III. <u>Action Items</u>

B. Approval of Annual Self Assessment for 2016-2017 and Resulting Program Improvement Plan SETA-Operated Program

Ms. Caruso stated that this report is required every year. After the selfassessment, she was happy to find the children's' files are incredibly neat and complete; it is important to report where the children are at enrollment and how they progress over their school year. The new Performance Standards were reviewed to determine what programs and procedures may need to be changed.

Ms. Caruso reviewed the report and stated that under Health and Nutrition, there is a lot of intentionality for increased documentation for dietary issues for children.

Areas to improve on include actively recruiting, making connections with neighboring agencies, goal follow up, documenting things in the files, tooth brushing to ensure children are brushing their teeth correctly. The program improvement plan was reviewed.

All items identified to grow in are put into the program improvement plan and there is a list of how the goals are to be met.

Mr. Tate asked Ms. Caruso where she thought SETA/Head Start was and Ms. Caruso replied that she thinks the purpose of a self-assessment is to see how we are doing. She reads all of the county-wide assessments, SOP and delegate agencies, and we are doing a tremendous job providing services. Ms. Lee replied that she thinks we are in the high 90's but there is always room to improve to be stronger and better. It is not a problem when there is a finding.

Ms. Thomas shared her concerns are in health and nutrition in the CCP; are we understaffed, overwhelmed? Ms. Caruso replied that this is a newer partnership with Kinderworld. They have just taken on Early Head Start and it is a beast to learn; Kinderworld has to learn a new way of administering the program from what have done over the years.

Policy Council:

Moved/Thomas, second/Scharnow, to approve Program Year 2016-2017 Self-Assessment and resulting Program Improvement Plan for the Head Start/Early Head Start program and the EHS-Child Care Partnership/Expansion program. C. Approval of Program Year 2017-2018 Head Start/Early Head Start Refunding Application

Ms. Lee stated that SETA has been the Head Start grantee for 36 years. The grant was generally awarded in perpetuity unless there were serious issues. Recently, there was a change that five year grants, with possible extensions would be issued. SETA is headed into the third year of the five year application process.

Ms. Lee reviewed the 22 page narrative. This document brings all of the delegate's applications as well as SETA together in one document.

We continue to experience challenges with enrollment when services are moved to another area. Staff also looked at the needs for the infant/toddler services to see if more slots could be opened up. We do have the opportunity to move funds around by Head Start/Early Head Start conversion. We will be serving an additional 54 children in SOP and grow EHS at the following centers: Vineland, Job Corps, LaVerne Stewart, SCOE, and Grizzly Hollow. We serve 4,600 children in preschool and 631 children in Early Head Start and there is a far greater need for Early Head Start services.

Ms. Sherren is excited about the Early Head Start program but will there be a preschool at Vineland. Ms. Lee replied that Vineland will be opening up two state preschool classrooms soon. It was decided that SETA would now run one full day class for 20 preschool children and a second class for EHS.

SETA applied to expand longer six hour day classroom for 344 children. This allows children more academic exposure. This is included in the grant application for \$1.6 million. To get the required 1,020 school hours in, SETA offers a variety of combinations.

D. Approval of the SETA Head Start/Early Head Start Budget for Program Year 2017-2018

The budget reflects the change of Head Start to EHS slots. The federal government provides the base grants to hire staff and provide services, and the T/TA funds are specifically earmarked for technical assistance for parents, staff, or delegate staff. These funds are only for training.

Ms. Lee reviewed the budget. SETA is the third largest Head Start grantee in Region IX; we fall behind Los Angeles, and San Diego. Within the budget, there is included a federal match of 25% in-kind donations. The in-kind matches can be volunteering in the classroom, screening applications, attending meetings, and a wide variety of other ways. The administrative costs must be below 15% and SETA always strives to keep the costs around 12%. This budget funds around 1,100 staff county wide. Fringe benefits and salaries are the largest line item.

Mr. Castex left the meeting at 10:47 a.m.

Ms. Lee stated that the budget moves a little over one million dollars from Head Start to Early Head Start to serve the additional 78 Early Head Start children. Ms. Lee stated that board members can always ask staff or attend upcoming Budget/Planning Committee meetings to learn of more details in the budget.

Policy Council:

Thomas, second/Blanks, to approve the Program Year 2017-2018 Head Start/Early Head Start Budget in the amount of \$53,613,447 for Basic and Training/Technical Assistance Funds. E. Approval of the 2017-2018 Head Start/Early Head Start Program Options and Center Locations for Sacramento County

Ms. Lee reviewed the list of programs operated in the county. This includes partday and full-day options. The new standards require that by 2018, grantees allocate 50% of center based children to receive 1,020 hours of instruction. With the new configuration, SETA will be at 35% with the changes from the current 39%. We will have some work to do to expand slots to 1020 to meet the 2018 requirement.

Ms. Lee stated that SETA will submit a waiver for two centers that do not operate all year, Morey Avenue and Vineland. The locally designed option is not to provide services on a campus that is not opened year round. Sacramento County also operated a locally designed option.

Mr. Tate asked if there were a way to regain the lost slots and Ms. Lee replied that it will take more money and a lot of work. The federal government may not want to provide more money but they can reduce the expectation of 50%. Ms. Lee is anticipating that the changes will align.

Policy Council:

Moved/Scharnow, Thomas, to approve the Head Start/Early Head Start countywide program options and center locations for the 2017-2018 program year. Show of hands vote:

F. Approval of 2017-2018 Training/Technical Assistance Plan for the SETA Head Start/Early Head Program, as Aligned with Established Five-Year Goals and Objectives

Ms. Lee stated that these funds allow for the hiring of consultants, psychologist, etc. There are times when Head Start and Workforce work together to provide training for a Head Start parent.

Ms. Lee corrected a discrepancy PC under the "other Conference/Training Resources" portion of the budget; it should be \$13,696.
