**Announcement of Community Services Block Grant Public Forum**

TO: All interested parties

Since 1983, the Sacramento Employment and Training Agency (SETA) has been designated as a Community Action Agency for the purpose of administering Community Services Block Grant (CSBG) funds for Sacramento County. CSBG funds are meant to help alleviate root causes of poverty not adequately served by existing community resources. Indicators of unmet community needs will be gathered from a variety of sources including members of the community. To this end, SETA will begin gathering public testimony at a public forum before the Community Action Board (CAB). Members of the public with information or concerns regarding the delivery of poverty-related services to families and individuals in Sacramento County are encouraged to testify during this Forum.
